CITY'S ASSESSED VALUATION BOOMS TO RECORD $41 MILLION

Final figures won't be available until mid-August, but Daly City's assessed valuation for the new fiscal year is up more than $3½ million, according to a preliminary report from County Assessor Ralph E. Woodman.

The new valuation total here, which does not include property owned by the public utilities, is $41,081,490, compared to $37,472,860 last fiscal year.

The council had drafted its new fiscal budget of more than $1.6 million on the basis of an estimated valuation of approximately $40 million. This would have made a $1.04 per $100 property tax rate necessary if the city manager's budget recommendations were accepted in full with only minor reductions.

The $41 million valuation will give the city an additional $70,000 in tax revenue, enough to lower the tax rate to $1. City councilmen on Monday night adopted the preliminary budget but haven't agreed as yet on the tax rate. If they eliminate certain non-essential expenditures in a few departments, it is probable that the tax can be dropped even more, possibly to 98 cents.

Woodman's report shows that the increase in assessed valuation of property throughout the county amounts to $85 million, mainly due to the reassessment this year of property in the southern half of the county.

The $85 million jump, an increase of 13 per cent, makes the county's new valuation more than $736 million compared to $651 million last fiscal year. County Manager Stallings said this big gain

(Continued on Page 2)

SANDRA ALYCE BRICKER, not quite two-months-old, is a typical reason why Daly City's special census count registered a whopping 38,620. Printer Fred, her daddy, and mom Barbara, of 71 Mission Circle, figure that by the time she grows up, the present total will seem like a drop in the bucket, considering the housing boom here and elsewhere on the Peninsula.

THE RECORD photo

St. Clair Asks Unified Drive For Hospital

Daly City officials, ready to conduct an objective and "free from politics" study for a north county hospital district, Monday night called for a series of meetings with other organized groups here in an attempt to coordinate the project.

Councilman Bob St. Clair, chairman of the council's hospital committee, said he was concerned about the "go it alone" policy of the hospital district study group headed by Leo J. Ryan, South San Francisco councilman, hinting that it was apparent Ryan's group wants to be independent.

"I hardly think this attitude (that of Ryan's committee) is proper if this hospital study is to materialize and get results" declared St. Clair.

He reminded the audience that Daly City would have its "say" on the hospital district study, "since our council and residents long have cited the need for such a study and have expressed our position as being ready to cooperate with all interested groups for a factual and systematic survey."

Assembly candidate Ryan's committee, which the past few weeks has received most of the publicity on the hospital study move, met again last week but not one Daly City official was present.

The session, attended here by Ryan, other South San Francisco officials, the mayor of Pacifica, and three DC residents, was held at the home of Bob Hunter, auditor for the city of Daly City, in Westlake. The DC council had a study

CITY SEEKING ACCOUNTING AWARD HONOR

For the first time Daly City is entering in competition for the Municipal Accounting Award which is given by the California Society of Certified Public Accountants, declared Joseph Arch, city finance director, who recently drafted a letter to that organization.

Daly City entered as a General Law city with a population of 35,000 for the year 1959. Although the population here is now 38,620, the basis is taken from the population total of last year.

Arch expects an answer to his letter within three or four weeks. He commented that City Manager George Watts won the award in 1954 when he was finance director for the city of Antioch.

Four cities are in competition for the ward though there are 360 cities of population with less than 35,000 persons. The cities Daly City will be vying with are Livermore, Milpitas and Escondido.

The winning city will receive two plaques at the League of Cities Convention in October; one plaque going to the mayor and one to the finance director of the victorious city, according to Thomas McBride who is in charge of the contest. McBride said the contest is in its sixth year and 10 to 12 cities usually enter.

The CPA group will judge on the means the finance department uses in receiving data and the changes that have been made to conform with the organization's policies.

Arch's letter to the CPA

Marcus Speaks For Doctors' Hospital Push

Dr. Sanford Marcus of Westlake, member of a three-man steering committee studying the possibility of establishing a non-profit hospital in Daly City, today explained the objectives of his group which has been weighing the project the past six months.

Marcus said he, attorney David Friedenberg and Dr. J. Gwyne Wilson, all of Daly City, head the steering unit and are backed by a score of local, practicing physicians who are ready to launch an all-out drive for a hospital here.

"First of all," Marcus began, "let it be clear that we are not obligated to any one group, nor are we opposed to similar hospital proposals by other groups."

"It is clear we all agree on the need for a hospital to serve north county residents."

Marcus pointed out that his group, representing mostly doctors and professional men, is ready to explore the possibility of a community-wide fund-raising drive to pay for construction of the hospital. In contrast to the South San Francisco hospital committee, Marcus said his group thinks the proposed hospital shouldn't be a tax-supported proposition and an extra burden to taxpayers.

"The hospital we propose would be a private corporation, launched through public donations and not depending on a

Annual Weed Edict Sounded To Owners Of Cluttered Lots

The city council Monday night passed its annual weed abatement edict, officially notifying all owners of property abounding in fire-hazard weeds to eliminate them or else pay a fee for their removal.

Public hearing on the weed abatement resolution is set for Monday night, August 10, 8 p.m., in the council chamber. At this time, persons who would challenge the weed proceedings are asked to appear before the council and tell why.

Otis Calhoun, public works director, said that more than 200 property owners failed to take care of weeds last year and therefore had to pay more than $5—the price he figures it costs the fire department to remove the weeds on an average 25-foot lot

New notification policy this year should speed the process. Calhoun's department, besides posting weed abatement signs near the cluttered lots, will notify such landowners by mail of the city's intention to enforce the abatement.

CITY LAND-USE PLAN HEARING MAY PACK HALL

The city council chamber figures to be well populated next Monday night at 8 o'clock when public hearing is held on Daly City's new land-use master plan for future zoning.

The land-use proposal, drafted by the survey firm of Hahn-Wise-Barber, merely serves as a guide to the council and the planning commission in fixing new zoning throughout the city. It in no way changes existing zoning, a factor that has repeatedly been explained to many residents, most of the merchants and main land owners, who are confused as to the authority of the land-use document.

City Manager George Watts and Public Works Director Otis Calhoun will summarize the land-use plan at the hearing and all protests will be considered by the council.

WEST OF SKYLINE

New Westlake Unit To Add 450 Homes

Although there still are no provisions for playgrounds or a school site, city councilmen Monday night approved the tentative map of Doelger's Westlake Unit No. 11, located west of Skyline and south of Unit 9 and running to the Pacifica line.

Unit 11 will include roughly 450 homes, compared to the 1000 homes in Unit 9 and about 1500 in Unit 10 southwest of Westmoor High.

City Manager George Watts said he had discussed the city's request for a playground in Unit 11 with Doelger representatives. Whether a public school site is possible for the area depends on a suggested boundary exchange between the Laguna Salada and Jefferson Elementary districts.

In other business Monday night, the council:

1. Closed hearing on vacating a portion of Wyandotte avenue and Gambetta streets and set meeting of July 27 for final action. This is in connection with the Callan garden apartments project and involves granting of a center-of-the-street easement for public utilities.

2. Finalized salary increases for the city clerk, upped to $150 a month as tax collector; city attorney, now $6600 a year, and city auditor, boosted to $2500 a year.

3. Set August 24 for public hearing on Zita Corporation's request for annexation of 12 acres on Christen land contiguous to St. Francis Heights subdivision. Zita officials presumably will make this their shopping center area.

4. Set July 27 meeting for adoption of increased salary schedule for volunteer firemen, recommended by fire chief and city manager. The volunteers haven't had a change in pay since 1948.

5. Officially changed name of San Pedro road west of Junipero Serra boulevard to "San Fernando Way." This was done to avoid confusion with San Pedro avenue. City Clerk Evelyn Mosman, who also named Eastmoor avenue, suggested San Fernando.

6. Awarded bids to: Pump Repair Service Company, only bidder at $7352, for new sub-

(Continued on Page 2)

DC Corporation Yard Contract Totals $49,325

Daly City's corporation yard project got rolling Monday night as the council awarded the major portion of the job to Peterson Construction Company, lowest of three bidders, on a two-months $49,325 contract.

The corporation yard, a money-saving development at Citrus and Niantic streets, site of the city's present municipal garage, will be headquarters for a central storage warehouse, a new concrete block garage complete with latest equipment, and storage buildings for public works department operations.

The Peterson firm will con-

(Continued on Page 2)

AHEAD OF SOUTH CITY

Daly City Now County's Third Most Populated Municipality

For the time being at least, Daly City is officially the third largest municipality in San Mateo County.

Last week's special census report, fixing Daly City's new population figure at 38,620, moved DC ahead of South San Francisco for the number three spot. SSF, with a total of 35,690, last time a census was held there, could go ahead of Daly City next when the federal census is taken once more.

San Mateo, with approximately 66,000, is the most populated of SM County's 15 cities. Next is Redwood City with a reported 43,700.

Behind Daly City and South SF are: San Bruno, 27,250; Menlo Park, 26,206; Burlingame, 21,985; Pacifica, 20,763; San Carlos, 19,586; Belmont, 14,700; Millbrae, 14,508; Atherton, 7269; Hillsborough, 6685; Woodside, 5157; and Colma, slightly over 300. Half Moon Bay, newest county city, is running Colma a close race for head count.

Above populations are those recorded by the state controller's office, based on tax returns and latest census checks—many of the latter far from being up to date.

SEVEN-YEAR DECEPTION

Handyman Not Handy With English Language -- Faces Deportation

A handyman who could speak both French and Spanish could not converse well enough with Daly City police officers and he was soon placed in custody for delivery to U. S. Immigration officials.

Anthony Gallardo, 48, employed at the home of Alice Ruckwardt, 138 Santa Barbara avenue, began causing trouble at 12:30 a.m. Tuesday, so she notified police.

Gallardo received room, board and a small amount of money for doing odd jobs at the woman's home. During questioning about the dispute by Officers Steve Steen and Jeff Wetmore it was discovered that Gallardo is a citizen of Mexico and does not have immigration papers.

The citizen of Guadalajero, Mexico stated he came to the United States seven years ago after boarding a train in Tiajuana and going to Los Angeles. He has spent all seven years in San Mateo county.

Wetmore said Gallardo's English was what made Officer Murray and himself suspect the man's citizenship. The man could speak fluent Spanish and French, however.

Gallardo was booked on illegal entry to the U. S. and held for immigration officials.

POLICE had plenty of evidence when they arrested the driver of above vehicle last week. Henri D. French, 43, of 6925 Mission street, was booked for drunk driving early Thursday morning after he drove for three blocks with a traffic signal clutched in the front bumper of his auto. According to arresting Officer R. C. Sims, French struck a signal at Knowles and Mission, sheared it cleanly, then carried the entire unit from Knowles to Beta avenue. Muni Judge Charles Becker fined the entertainer $250.

DC Police photo

COUNCIL HACKS TAX RATE DOWN TO 96 CENTS

Budget trimming continued Tuesday night as the city council in another special session had the tax rate down to 96 cents and still planned to bring it closer to last year's levy of 92 cents.

The council, by legal necessity, Monday night officially adopted the preliminary budget, setting August 10 as the date it will sit as a board of equalization to approve the budget as final.

Biggest windfall thus far, dropping the tax rate from an originally proposed $1.04 below $1 and presently to 96 cents is a $3½ million increase in Daly City's assessed valuation. This means approximately $70,000 to the city in increased revenue.

Still to be explored in the budget slicing are public works department requests. This will be the main topic next Tuesday night in the council budget study session.

Capital outlay expenditures will be fixed after councilmen complete their trimming in the biggest departments.

If the tax rate is set at 96 cents, the new levy on paper would be acutually lower than last year's rate since instead of paying the county for library services, residents here now pay a lesser amount entirely to Daly City.

August Norry Murder Trial Opens Monday

Rosemarie "Penny" Bjorkland of Daly City goes on trial in Redwood City superior court next Monday for the alleged "motiveless" February 1 murder of August Norry, 28-year-old local gardener.

Presiding over the showdown trial of the 18-year-old girl will be Judge Frank Blum, a pioneer resident of Daly City and former city attorney here. Monday's session begins at 10 a.m. at the county courthouse.

District Attorney Keith Sorenson repeated today that he would not reveal the extent of the prosecution's objectives "until we are in court."

Under California law, Penny,

(Continued on Page 2)

County Supervisors Get Salary Boosts

San Mateo County supervisors got a $2400 a year pay increase last Friday when Governor Edmund "Pat" Brown signed into law a bill authored by Senator Richard J. Dolwig of Redwood City.

The supervisors' salary rate was upped from $7200 to $9600, giving them now a monthly rate of $800 instead of $600.

Congressman Gives Daly City 49-Star Flag For City Hall

First 49-star United States flag to fly over Daly City will wave above City Hall, thanks to Congressman J. Arthur Younger.

In a letter this week to Mayor Edward Dennis, Younger said the flag destined for Daly City will soon be persented to local officials by George McQueen, the Congressman's field representative.

Younger noted that this flag has flown above the Capitol in Washington D. C. and was one of the first to be used in this country since Alaska was admitted to the Union.

The new 50-star flag, brought up to date to include Hawaii, should be ready for governmental agencies next year, Younger pointed out.

Front Freeway, But Two Gas Stations OK'd

Unwilling to wait any longer on the State Division of Highway's "undisclosed choice" for the proposed Daly City freeway route, the city council Monday night gave the go-ahead for two more service stations off Junipero Serra boulevard.

Finally granted use permits to erect the stations were Shell Oil and Wilshire Oil Companies. Shell's new station will be located at the corner of Eastmoor avenue and Sullivan in front of St. Francis Heights. The Wilshire operation will be north of Lake Merced Golf Course west of Junipero Serra near Alemany.

The state, asked repeatedly by the council if its freeway plans would make granting the permits impossible, replied that the Wilshire station would be in the way of all the freeway alternates and that the Shell site also is in the path of one of the proposed routes.

The state said it opposes both stations, and if the council granted the use permits it (the state) would have to purchase the land by right of eminent domain.

Councilman Francis Pacelli, chairman of the DC freeway committee, said he was "tired of the state's hesitation" on the freeway route and recommend-

(Continued on Page 2)

Jeff Expansion Costs $120,000 For Six Lots

Jefferson Elementary School District has completed negotiations for six lots on Allemany street in its accelerated move to secure land for two classroom additions to Jefferson School.

The six parcels, all fronting on Allemany street next to the present school and owned by the pioneer Toso family, will cost the district a total of $120,000 when the final deeds are accepted.

Approximately $32,000 in state funds is the estimate for the two classrooms, which will increase the Jefferson School site from 1.36 to 3.2 acres. The 66 students who will occupy the new classrooms will be transferred from old Jefferson Annex, antiquated facility on San Pedro avenue. The annex will be torn down and this property sold once the new classrooms are constructed. Money gained from this sale reverts to the state.

Architect Mario Ciampi, given the Jefferson expansion assignment two years ago, estimates that construction will take six months to complete.

PERSONNEL, LIBRARY

Drye, Schultz, Digman Named To Fill Commission Vacancies

Three commission vacancies were filled Monday night by unanimous vote of Daly City councilmen.

Appointed to the personnel board were 10-year Westlake resident John B. Drye, 98 Montrose avenue, and Joseph P. Schultz, 548 Atlanta street, Callan Heights.

H. Clifford Digman, 126 Valley street, was named to the library commission.

Drye, who succeeds former personnel board chairman Harry Bosbery, 126 Westlawn avenue, is a division sales manager for Kilpatrick's Bread in San Francisco, A World War II pilot, he currently is a reserve Air Force captain. He and wife Roberta have four children.

Drye, 36, was an unsuccessful candidate for the city council last year. He takes over the six-year term of Bosbery, 54, who resigned last month shortly after he was reappointed to the personnel board by 3-2 vote of the council.

Schultz, 36, a state-licensed landscape contractor and nine-year resident, fills the post of Harry Brakebill, 44, who resigned the same time as Bosbery. Schultz' term ends in early 1962.

Father of four children, Schultz in past years ran without success for elementary and high school district trustee.

Digman, 40, a rate engineer for Pacific Telephone and Telegraph Company, has lived in Daly City nine years. He and wife Martha are the parents of a daughter, 11, and two sons, 7 and 5. Digman, nominated by Councilman Micheal DeBernardi, fills the unexpired term of Dan Casentini. His term runs out in June next year.

Drye was nominated by Mayor Edward Dennis and Councilman Bob St. Clair nominated Schultz.

The council at its July 27 regular meeting will ratify the appointment of a new library commissioner to replace Desmond Epidendio.

Marcus Speaks For Doctors' Hospital Push

(Continued from Page 1)

special tax each year. All north county residents would have the hospital at their disposal."

As for a location, Marcus said his group feels conferences thus far with a major landowner will pave the way for a donated site covering about 10 acres. Plans for a 100-bed facility appear feasible for the first increment of the hospital, which easily could be expanded as the need arises, Marcus said.

Asked if a private financing were possible to launch the hospital should a public fund drive fail to materialize, Marcus declared this to be a remote possibility.

"But I think that the need for such a hospital is so great that the public will be convinced of the value of aiding this project," he emphasized.

Marcus, noting that his group has been invited to explain its plans to the Daly City council, reiterated that "we are anxious to get city endorsement and cooperation."

He added that a meeting of his enlarged doctors' committee early next week in Westlake will consolidate his group's plans.

New Westlake Unit To Have 450 Homes

(Continued from Page 1)

mersible turbine pump; E. T. Haas Company, eight-inch water transmission line, $10,506; and San Jose Steel Company, for chain-link fencing at Palisades Reservoir and Palisades and Northridge playgrounds, $7954.

7. Approved changes in duty statements for public works department utility man and maintenance foreman positions as recommended by personnel board.

8 Moved to join Peninsula Water Users Association membership $50 a year, to work for lower water rates.

The Unted States uses about 17 per cent of the crude oil output of all Latin American republics.

City Valuation Climbs To $41 Million

(Continued from Page 1)

would allow the same $1.88 county tax rate or even possibly a slight reduction.

San Mateo again led Peninsula cities with an $11 million valuation increase on the unsecured roll.

The new and old valuation figures of Peninsula cities, listed in order of totals:

San Mateo, $100,672,585 ($88,863,745); Redwood City, $60,175,805 ($51,814,425); South San Francisco, $58,643,235 ($53,941,525); Daly City, $41,081,490 ($37,472,860); Menlo Park, $40,890,730 ($32,753,670); San Carlos, $35,292,070 ($32,753,670); San Bruno, $28,270,405 ($26,408,745); Hillsborough, $27,957,080 ($26,854,165); Atherton, $26,803,765 ($21,000,620); Millbrae, $20,569,590 ($19,731,530); Belmont $17,331,687 ($15,720,025); Pacifica, $13,645,845 ($12,905,075); Woodside, $13,603,975 ($11,419,340); Colma, $764,120 ($745,510).

CITY SEEKING ACCOUNTING AWARD HONOR

(Continued from Page 1)

reads, in part, "The City of Daly City presently has 193 employees, of which 10 are employed in accounting functions. This in itself establishes the efficiency of mechanization."

The letter went on, "The city has completely mechanized its accounting system to keep step with the expanding needs." The expanded system required only one additional bookkeeping machine operator whereas the city's costs to compile statistical information in as great detail by hand would be prohibitive.

"Machine operator training is no problem, since personnel easily adapt to the routine of machine accounting. Monthly reports are easily obtainable which provides up-to-date information for management. State reports are prepared with minimum effort. Internal control is expanded since mechanization is easily adaptable to necessary control accounts."

MISS Daly City, Pat Strasser, holds a San Mateo County Fair and Floral Fiesta sign with hopes of becoming "Fiesta Dream Girl" this Thursday in the contest to determine the fairest maiden of the 12 contestants. Miss Strasser is a 21-year-old model from Broadmoor. THE RECORD photo

Front Freeway, But Two Gas Stations OK'd

(Continued from Page 1)

ed that both use permits be granted.

Recent meeting of city officials with State Highway Division representatives produced the estimate that the state might be ready for public hearings here on the freeway route in two months. Final route adoption probably will be made after the first of next year.

Whitney Ends Duty As High School Trustee

Raymond T. Whitney served for the last time officially as a member of the Jefferson High School District board of trustees Monday night. The former Pacifica resident had to resign because of his recent move from the district.

While Superintendent Ed Morgan and board chairman Elio Fontana threw plaudits in his direction, County School Superintendent James R. Tormey's letter regarding a Citizens Nominating Committee to find a successor was read.

Members of the committee are Fontana and James Cooper of the board, Mrs. H. Dunbar, 93 Fairway drive, Daly City; Mrs. Ruth Wooden, 37 San Francisco avenue, Brisbane; Julian Cohn, 93 Dorchester drive, Daly City; Glen Staley, 1415 Via Aragon, and Arthur Worden, 339 Milagra drive, both of Pacifica.

The committee will convene in mid-August to nominate two candidates for the open post.

Whitney was first appointed to the JUHSD board in January 1954. Prior to his appointment he served on the Laguna Salada School District board. Two years ago he was elected to the board of trustees at College of San Mateo.

DC Corporation Yard Contract Totals $49,325

(Continued from Page 1)

struct the new garage, a $29,000 building, install garage equipment, and pave and fence the area. This project will be followed by the award of another contract — when the city has enough funds—for several storage sheds.

The present garage will soon be used entirely for warehouse functions and will be stocked with mass-purchase supplies and equipment. This volume purchase plan, instituted by the city manager, will mean lower unit costs on items that are regularly needed by city departments.

In approving the Peterson bid Monday night, councilmen had to transfer $18,787 from the capital outlay fund to finance the project. The council last year earmarked some $19,100 for the initial corporation yard development, and plus $11,437 surplus funds from previous budgets, had only a total of $30,537 for the project. Councilmen agreed with the city manager that the $18,785 transfer from capital outlay to make up the difference was essential to speed the corporation yard completion date.

High School District Forced To Condemn Parcel In Pacifica

Jefferson High School District has started condemnation proceedings against a Pacifica couple who have refused to sell their home in Sharp Park on land the district needs in the south-end development of the Oceana High School site.

The couple are Mr. and Mrs. James J. Gallagher, 12 Sharon Way, Pacifica. They refused to accept the district's offer for their parcel, followed by the district's refusal to buy the land at a higher rate as requested by the Gallaghers.

The couple also were notified on June 30 by the district attorney that they had 10 days before his office would launch eminent domain proceedings on behalf of the school district.

School Superintendent Edward Morgan said that 18 other landowners involved in the Oceana site move sold their parcels without a fuss. Sixteen of these homes, purchased by the district, have been sold to date, he pointed out.

August Norry Murder Trial Opens Monday

(Continued from Page 1)

whose parents live at 241 Oliver street, Daly City, is an adult and, if convicted, could be sentenced to death.

But her defense attorney, James Murray of San Francisco, will attempt to prove that Penny was not responsible for the savage act due to a serious mental condition. The girl pled not guilty by reason of insanity when she was arraigned several weeks ago.

The district attorney will attempt to show that Penny knew the difference between right and wrong and therefore should face the maximum penalty.

Apprehended after two long months of systematic Daly City police investigation, Miss Bjorkland gave an unfaltering account of how she killed Norry with a barrage of bullets from a target pistol.

She maintains that Norry, a married man, was almost a stranger to her, that he asked her to take a ride to the Crocker Hills area, and that his conduct with her was proper.

She described "an urge to kill" as her sole reason for the senseless slaying. Norry, according to the girl, was virtually an innocent victim.

Some courtroom observers feel the insanity claim will be upheld and Miss Bjorkland will be committed to a mental hospital, then prison, and eventually made eligible for parole.

Three Teenagers Held For Coin Box Raids Here

Three 16-year-old boys were apprehended last Thursday for pilfering money and destroying coin boxes owned by the Mills Meter Service after they had broken into laundry rooms of a number of apartments here.

At 1:15 p.m. Mrs. Betty Spellman of 119 East Moltke street, apartment No. 2, reported a theft of coin boxes from the laundry room of the apartment house. Two hours later, William Wax, 1090 Hillside boulevard, an employee of Grosso Body Shop, 7232 Mission street, said there were juveniles in the back of the lot breaking into a coin box.

The boys insisted to Officer Tom Culley they had found the box in a vacant lot. An hour later, another box was found at the back of the body shop. The fingerprints of the boys matched those on the second box.

Two of the boys attend Jefferson High, tenth and eleventh graders, and the third is a 12th grader at Serra High.

One of the Jeff high schoolers admitted he had taken the coin boxes at 11 Werner street and 122 School street while the other two stood watch. He would not admit to the 119 E. Moltke street theft but they had broken into the laundry rooms at East Molke, 143 East Moltke streets and No. 2 Second and 32nd First avenues within the last two weeks.

The next morning, Mills Meter Service reported two additional meters damaged. The No. 2 Second avenue and 85 Citrus street laundry rooms had been broken into some time after 2 p.m. Thursday and 8 a.m. Friday. Police believe there could have been a connection between the time of thefts and the hour and 15 minutes later when the boys were rounded up.

The three juveniles were taken to Hillcrest Detention Home.

It costs money to clean up California's roadsides of litter and trash; save your tax dollars, carry a litter bag in your car and use it.

St. Clair Asks Unified Drive For Hospital

(Continued from Page 1)

session scheduled the same evening, therefore it did not have the time or opportunity to sit in on Ryan's meeting and learn his objectives first hand.

St. Clair making direct reference to Ryan's tactics, said he felt Daly City officials should continue to work independently on the hospital study "in view of the attitude of Ryan's camp," but at the same time, "I think we should invite these other hospital study groups, particularly the one in Westlake that is composed of professional men, to discuss their ideas," said the DC councilman.

St. Clair and DC councilmen are especially interested in a study session confab with the Westlake group headed by DC attorney David Friedenberg and Dr. Sanford Marcus Late last week Friedenberg informed the council that unlike Ryan's newly formed group, his committee, staffed mostly with doctors who reside in Daly City and San Francisco, has been preparing for a study the past six months with the objective of setting up a non-profit hospital association.

According to Friedenberg, his group has discussed a hospital site "in the Daly City area" with one of the major landowners, "and we feel we are making progress."

Friedenberg added that he welcomed council support for his group and that he thought DC officials were taking the sensible approach for the study. He failed to mention Ryan's group, leaving the impression that his committee prefers to have Daly City take the lead in the study.

Ryan's unit, however, according to its press releases, is making rapid progress for a public vote on the proposed district.

According to Ryan, his group soon will draw up boundaries for the district, file this map with the county boundary commission by this September, ask county supervisors for a public hearing, and finally request an election on establishing the district — possibly by November.

Ryan's group last week appointed Westlake resident Frank DeMartini as treasurer and finance chairman. Next move will be to secure and estimated $3500 to finance the hospital study campaign—petitions for signatures to authorize a special election, maps, etcetera.

Ryan noted that his group intends to ask the financial support of the San Mateo County Medical Society as a chief sponsor for the election.

Cities to be served by the district under Ryan's proposal would be mainly South San Francisco, Pacifica, Daly City and a few of the adjacent unincorporated areas.

IBM Supervisor Has Trouble Counting Traffic Warrants

An IBM supervisor with enough traffic warrants to justify using one of his own machines for addition turned himself in to Daly City police Monday.

Donald B. Cline, 25, 21 Crestwood drive, apartment No. 5, surrendered himself to Officer Matthew F. Murray that evening on seven traffic warrants. In addition, Assistant Police Chief Roy McLaren says the San Francisco police are holding approximately 33 more citations (total due $200) on Cline.

Cline was turned over to Officer E. L. Warren of the San Francisco Police Department an hour after he surrendered here.

Don't Starch Your Fingers to the Bone

Why starch, starch, starch every single washday? It *can't* be good for your clothes . . . and it *isn't* good for your hands . . . to twist and wring, twist and wring as you starch. PERMA STARCH cuts starching down to practically nothing—just one starching lasts thru 8 to 15 washings. That's because PERMA STARCH doesn't wash out—even in hottest water and bleach.

WHITE Lumber Company, 1917 Junipero Serra boulevard, scored another first with the arrival of this shipment of "Mola Mulch," an organic soil conditioner made of ground fir bark. The Daly City firm has been appointed the main distributor for the new product in this area. Between the two big loads are Charles White (left), manager of White Lumber Company, and S. E. Lanier of Van Waters and Rogers, Inc., agents for Mollalla Forest Products Company.

SAVES TIME AND $

County's New $100,000 Land Inventory System Is Explained

San Mateo County Assessor Ralph E. Woodman has received the first delivery of coded maps and computer material in the installation of a $100,000 assessor land inventory and data processing system, authorized by the county board of supervisors last week.

The contractor, Bit Incorporated of Sacramento, delivered apporximately 8500 parcels and an equal number of data cards covering an area in and around Daly City.

There are about 160,000 parcels of property in San Mateo County and it will take aproximately 700,000 punched cards to store all the assessors evaluation and appraisal information.

Although the county will receive the system in increments, the total system will not be put into use until after April 1, 1960. By receiving portions of the system as it is completed the assessors drafting and records sections can keep track of current property transactions and put changes into the new system as they occur to show a continuity of ownership and maintain a complete and accurate inventory.

The new assessor inventory and appraisal record system installation has three distinct phases:

1. Maping and the assignment of a serialized number to each individually described piece of property, and drawing the assessor maps with the numbers on a mylar film base for permanency:

2. Creating punched cards with information concerning each property and its ownership

3. Punching evaluation cards for appraisal purposes and accounting in compiling the tax billls electronically.

Bit incorporated will perform the first two phases and the third will be done by the county in its tabulating section.

When the system is completely installed next April, land inventory record keeping functions of the assessors office will be one of the most modern in the United States.

John S. Gullmann, president of Bit Incorporated, said that San Mateo County is to be "congratulated for its progressive thinking and advance planning."

"Putting the assessment function into data processing equipment will return substantial savings to the county." Gull-

Assessor Woodman anticipates increasing the effectiveness of his appraisal program with the new system. The thoroughness of the inventory under the new program was revealed when property lost from previous rolls was discovered.

Approximately 35 parcels of property in the Daly City area have been picked up and will be added to the 1960 roll.

The chief characteristic of the new system is the assigning of an eight digit number to each individually owned parcel of property to facilitate the use of the assessors records in data processing equipment and electronic computers.

The numbering system, an open series to allow growth with the county, was created by the California Assessors Association and the State Board of Equalization.

Officials of Bit Incoporated worked officials of the county for approximately six months in planning and designing features to fit county needs before the contract was approved by the board of supervisors.

The new number designation will eventually replace the old style Narrative, or Metes and Bounds, descriptions now in use.

In appearance the new property number will bring back old army days, or a washing machine serial number. An example of the new series — 210-121-09, will replace property descriptions of this type — Lot 51, Block 72, Heavenly and Divine acres subdivision number 3, RSM 26/34, city of Daly City.

Precise assessor maps delineating the exact configuration of each parcel are mandatory in order that the new numbering system represents exactly what is owned and where.

Digital computers can recognize the property from the number identification and take off into the mountain of paper work that faces the assessor and tax collector after the lien date each year.

This mechanization will help county officials to meet statutory deadlines at a substantial savings and without hiring expensive extra help to get out the ever increasing burden of record keeping and paper work.

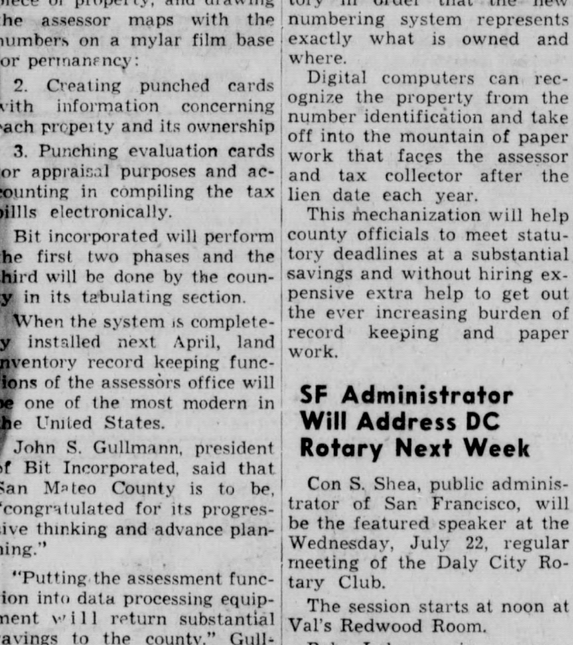
SF Administrator Will Address DC Rotary Next Week

Con S. Shea, public administrator of San Francisco, will be the featured speaker at the Wednesday, July 22, regular meeting of the Daly City Rotary Club.

The session starts at noon at Val's Redwood Room.

Bob Lehman is program chairman, optometrist Lou Minkin will give a talk on his profession, and Al Storer is the fine master.

The July 8 Rotary meeting was highlighted by a talk on Daly City police operations, presented by Asst. Chief Roy McLaren.



STUDENTS in the Jefferson Elementary School District will have two more days of school in the 1959-60 year. Renna Whitney (far left) asks, "What can we do about it," while Margie Felser points out September 17th as the opening date and Jim Jolly smiles approval. However, the ruse didn't work as the opening date is two days earlier, September 14th.

THE RECORD photo

GLASS breakage by vandals at Daly City school sites is particularly heavy and costly during the summer months. Charles Ehrhorn, Jefferson Elementary District maintenance man, discusses replacement of nine windows (above) at Colma Intermediate School with Dr. Vinton Stratton (left) and Dr. David Shapiro, assistant superintendents of the school district. Parents of youngsters who break the windows and damage school property usually wind up paying the bills.

THE RECORD photo

NOISE AND SAFETY

South SF Again Asks Airport Brass To Adjust Jet Patterns

South San Francisco residents aren't against progress, but their tempers are at high pitch over the mounting disturbances caused by jets taking off from International Airport.

At their last regular meeting, city councilmen reorganized SSF's Jet Committee, headed by assistant mayor Leo J. Ryan. First move was a strongly worded letter to Belford Brown, manager of International Airport, challenging several airport procedures, particularly more late and early hour take-offs by the jets at low altitudes.

The SSF councilmen noted that two years ago airport officials paid attention to a well-organized South San Francisco protest on air traffic patterns and take-off hours, but that in the main, the advent of jet traffic had made the noise and residential safety outlook even worse.

Ryan's letter to Brown requested immediate consideration for adjusted climb-out and take-off patterns and an explanation of the necessity of jet flights beyond 11 p.m. and before dawn.

Scores of SSF residents have joined the council in the new protest via letters to that body, airport officials, and to political and federal aviation representatives in Washington.

Other north San Mateo County communities have also decried the increase in late-hour jet traffic and low altitude take-offs. SSF, however, is the most affected, located directly below the "gap" used for take-off by the jets when they aren't routed easterly over the bay.

DC Man Named To Bay Rapid Transit Board

Adolph J. Bertini of Daly City, retired manager of Cypress Lawn Memorial Park, has been appointed as San Mateo county's second representative on the Bay Area Rapid Transit District board of directors.

Supervisor Thomas J. Callan of Daly City recommended Bertini as successor to Robert Higgins of Burlingame. Higgins resigned following his recent appointment as collector of customs in San Francisco.

San Mateo attorney Thomas Casey is the county's other representative on the rapid transit board.

Bertini resides at 26 West Cavour street here.

Westlaker Arrested For Drunk Driving

Henry Joseph Donnelly, a 48-year-old pressman of apartment 14, 61 Crestwood drive, was released on $500 cash bail after he was arrested on a drunk driving charge last Wednesday evening.

Officer James Sunderland said Donnelly had trouble keeping his balance after he got out of his car to check the auto of John Gutilla, a 48-year-old insurance salesman of 975 Wildwood avenue, which he had rammed in the back.

The accident took place at Belmar avenue and Lake Merced drive.

Aiello Lists SSF Council Schedule

City Manager Eugene Aiello of South San Francisco today urged full public participation in the twice - monthly meetings of the city council.

The regular meetings are held on the first and third Monday evenings each month at City Hall, starting at 8 p.m.

The council consists of Mayor Andrew Rocca, Leo Ryan, Emilio Cortesi, Guido Rozzi and Patrick Ahern.

DC Woman 'Plants' Planter After Row With Husband

A Daly City woman who 'crowned' her husband with a glass planter told Officer William J. Schumacher, "I should have hit him harder."

Schumacher was called to the disputing couple's residence last Wednesday evening by the husband who suffered cuts and bruises on his scalp. The man said he and his wife argued for a while and then she planted the planter on his head.

The woman replied that she was tired of being beaten and wanted to protect herself. She further added that she should have hit him harder.

Both parties stated they want a separation but the situation is complicated by children and a lack of money, according to the police report.

No arrest was made.

The only diamonds mined in North America are found in Arkansas.

The Town Record

By ROY HURLBERT

Long-time Daly Cityans, Mr. and Mrs. James Poket, 6548 Mission street, will celebrate their 50th wedding anniversary next Monday.

Their close friend, Frances Harlan, tipped off the newspaper for a fitting story.

But being surprisingly modest, the golden wedding couple refused to be put in the spotlight via an interview and a picture.

The pair, very active in local clubs and groups, have a carload of friends who certainly will help make Monday's milestone an affair to remember.

* * *

Got a kick out of the page one story in another Peninsula newspaper last week, stating that Daly City police had launched "an intensive investigation" regarding a hit-run driver who rammed a new city police car and almost demolished it.

The story was completely unfounded, according to our check with police.

Local news coverage always is the most accurate.

* * *

Miss Daly City (Pat Strasser) phoned to advise us that she didn't get a chance to appear on Sherwood's TV program Monday night last week.

She was there, but the unpredictable emcee ran out of on-the-air time and Pat's trip to the studio was in vain.

Miss DC says Sherwood may not get another opportunity. Her time is just as precious as his.

* * *

St. Ignatius High School officials in SF still haven't received any commitment from Doelger on the parochial institution's long quest to buy the undeveloped north end of the Westlake Basin property.

If the Catholic school does make the purchase, its new structure will be right next to the JESD's proposed Fernando Rivera public school — just north of Westlake Park.

* * *

Alameda County Fair directors graciously designated the feature race of July 3 as the Daly City Handicap. Mayor Edward Dennis shook hands with the winning jockey and Councilman Bob St. Clair took care of Miss Alameda County for press pictures.

It might be noted that none of the DC party attending the event placed a wager on the ponies.

* * *

Just a wee bit bigger than Daly City in population and assessed value, South San Francisco — even with much light industry—is working on a new fiscal budget that calls for a $1.56 tax rate.

Sales tax funds allowed the Daly City tax to be lowered to 92 cents last year—an ecomonical rate for a community that is crying for industry to help reduce the tax burden.

City hall observers in other Peninsula communities are reported ready to get on the sales tax bandwagon. Millbrae figures to be the next city to adopt the levy.

* * *

The fire underwriters, who caused quite a stir when their new rate report shook up Daly City councilmen, also have lowered the boom on San Mateo.

According to them, San Mateo needs 46 new firemen this fiscal year to provide adequate protection and service. But this would mean an extra $330,000 in salaries.

San Mateo obviously can't afford this jump, so that city will have to pay out an extra $120,000 in fire insurance.

* * *

Daly City Public Works Chief Otis Calhoun relays a funny on a rumored new Italian sportscar.

He says it will be called the "Mafia." When you open its hood, you find another hood inside.

BIG SLOTS GOBBLE DOLLARS IN NEVADA

By Lou Lucia

While others were having 'a safe and sane Fourth' we were being robbed. We took the 5 cent, 10 cent, 25 cent, 50 cent and silver dollar tour including Reno, Sparks, Carson City and Lake Tahoe in nevah - nevah land — Nevada. Here are some impressions:

* * *

Two of the current songs, with a slight twist, that would make a choice harmony in the land of the dipping dollar are: "And when you play one, please play one for me." And, "Hang down your head, deal Tommy."

* * *

At the top of Donner Summit someone mentioned that my companion looked like Mary Magdelene. This could have caused trouble at 7200 feet. Not the washable type feet, however.

* * *

Sparks is only about five thousand silver dollars laid sideways from Reno. The difference in silver dollar stacked up would add up to about 100 million though.

* * *

Have you ever seen women pulling the slot machines. They look like an octopus with 20 arms. When they win, a screech that would make Teresa Brewer's voice sound like a small bell tone is let out. Nobody ever says, 'Look ma, no hands,' when standing near one of these cash registers with two bars and a lemon showing. How come there's always two bars showing and not three?

* * *

Ever watch the women singers in the clubs. Their eyes roll more times than the dice at the craps table. They shake more than a nervous handed gent with cube-loaded palm. While she is on the stage bellowing her lungs out the people pay no attention. They are all looking for three bars. Machine variety.

* * *

And that's the way the dollar is gobbled in the Land of the Big Slot.

"PROFESSIONAL CARELESSNESS

Don't let your "professional standing" as a driver lead you into "professional carelessness," advises the National Automobile Club. No matter how long you have been driving, it always pays to be careful.

New Law Gives Early Release To Arrested

Californians arrested for misdemeanors may be released from custody by signing a written promise to appear in court on the charge instead of being taken before a judge within 48 hours as required by present law. The bill, authored by Assemblyman Louis Francis of San Mateo county, has been signed into law by Governor Brown.

It provides that when a person is arrested for misdemeanors under state law and does not demand to be taken before a judge, the arresting officer may issue to him a written notice to appear in court, and if such a person aggrees to appear, shall release him from custody.

This measure requires the judge to fix the bail and permits the defendant to deposit bail. It further makes the failure to appear, as agreed, a misdemeanor and requires the issuance of a warrant of arrest within 20 days after such failure, when the defendant has not deposited bail.

Francis said, "it has long been my feeling that this procedure could be utilized to great advantage in many cases where law enforcement officers are now required to take the alleged offender immediately before a judge or to place him in jail until such time as a judge is available."

He explained that the present procedure often causes unnecessary embarrassment and inconvenience to the alleged offender, besides requiring additional time of the peace officer handling the case. He further explained that a citation could very often be used to eliminate the embarrassment to the alleged offender and the time spent by the peace officer.

WHAT'S DOING

C. R. Johnson, your Telephone Manager in Daly City

Accidents can happen— and sometimes it's the telephone that bites the dust. Well, telephones are built to take it. But I wonder if you've thought about this fact: when something does go wrong with your phone — because of accidents or normal wear and tear — your telephone man will be out to fix it, *free of charge*. It's a lifetime guarantee, too, in effect as long as you have a phone. And, when you come right down to it, it makes your telephone pretty unusual. Can you think of anything else that doesn't cost you a single cent for repairs?

Next time you're away from home, you don't have to be out of touch with your family for days on end. The nearest telephone lets you tell them you arrived safely, what you are doing and how you feel. And you'd be surprised how little it costs to call station-to-station. It costs even less after 6 p.m. in the evening or at any hour on Sunday. **Pacific Telephone**

NOTICE OF SHERIFF'S SALE

By virtue of an execution, issued out of the Municipal Court of the City and County of San Francisco, State of California and dated the 20th day of May, A.D. 1959, in an action in which the Plaintiff Joseph Tonna, doing business as MELITA FURNITURE COMPANY, on the 19th day of May, A.D. 1959, recovered judgment against EARL P. BOSSIER and BARBARA BOSSIER, Defendant, for One Hundred Thirtyfive and 39/100 ($135.39) Dollars, legal money of the United States of America, and costs of suit I have levied upon the property described as follows, to-wit:

LOT 11 in Block 134, as designated on that certain map entitled "WESTLAKE UNIT NO. 9 DALY CITY SAN MATEO COUNTY CALIFORNIA", which map was filed in the office of the Recorder of the County of San Mateo, State of California on March 13, 1957 in Liber 47 of Maps at pages 10, 11 and 12.

The address of the above property is 59 Wavecrest Drive, Daly City, California.

Notice is hereby given that on Tuesday, the 4th day of August A.D. 1959, at 10:30 o'clock A.M., at the Bradford St. entrance of the Hall of Justice and Records, City of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said defendants in and to the above described property at PUBLIC AUCTION, for cash in legal money of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 2nd day of July, A.D. 1959.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 150 Oak Street, San Francisco, California, until 10 A.M. o'clock on TUESDAY, JULY 28, 1959 at which time and place they will be publicly opened and read, for performing work as follows:

San Mateo County, near Daly City on Junipero Serra Boulevard near Edgemar Road (IV-S.M-237-A), concrete drainage structures to be constructed and a pipe culvert and downdrain to be installed.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximately only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages in the county in which the work is to be done as follows:

Rate per hour	Classification
$3.00	Apprentice (oiler, fireman, heavy duty repairman helper)
3.115	Asphalt ironer and raker
2.965	Asphalt shoveler
2.905	Bootman
3.325	Carpenter
3.37	Cement mason
3.255	Combination bootman and road oiler
2.965	Concrete laborer (wet or dry)
3.10	Concrete mixer operator (up to one yard)
2.865	Flagman
3.55	Heavy duty repairman
2.865	Laborer
3.85	Operator of power shovel, dragline, crane, clamshell, backhoe—up to and including one yard
3.95	Operator of power shovel, dragline, crane, clamshell, backhoe—over one yard
3.35	Painter (brush)
3.60	Painter (spray)
3.115	Pipe layer, caulker, bander
3.75	Power blade operator
3.60	Reinforcing iron worker
2.905	Road oiler
3.50	Roller or self-propelled compactor operator
3.10	Spreader box man (with screeds)
3.85	Structural and ornamental iron worker
3.95	Stonemason
3.70	Tractor loader operator (up to two yards)
3.85	Tractor loader operator (two yards or over)
3.55	Trenching machine operator
2.75	Truck driver—under 4 yards (water level)
2.925	Water truck driver—under 2500 gallons

Any classification omitted herein not less than $2.75 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

STATE HIGHWAY ENGINEER'S ESTIMATE

NOTICE OF PROPOSED ZONING CHANGE

WHEREAS, an application to amend Ordinance No. 294 so as to rezone the following described property to C-1 from R-3 has been filed:

YOU ARE HEREBY NOTIFIED that the City Council of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said rezoning for Monday, the 10th day of August, 1959, at the hour of 8:00 o'clock P.M. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Council will hear any evidence offered by any person interested in or objecting to said rezoning.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

EXHIBIT "A"

Parcel "A"

COMMENCING at a point on the Easterly side of County Road, which is N. 6 degrees 45' East 67.73/100 feet, measured thereon from the Northwesterly corner of Wedell's land and running thence along the Easterly line of County Road N. 6 degrees 45' east 67.4/10 feet; thence S. 88 degrees 03' East (parallel to the North line of land of Gustav Lorenz,) 495.92/100 feet to the Westerly line of "Abbey Homestead"; thence along the Westerly line of the "Abbey Homestead" S. 2 degrees 16' East 67.34/100 feet; thence N. 88 degrees 03' West (parallel to the North line of land of Gustav Lorenz 506.51/100 feet to the point of commencement, being a portion of the land formerly called the the "Knowles Tract" and containing 772/1000 of an acre, more or less.

Parcel "B"

BEGINNING at a point on the Northerly line of the certain tract of land known as "Map of Resubdivision of a portion of Union Park, San Mateo Co., California", filed in the office of the County Recorder of San Mateo County on October 8, 1906 in Book "D" of Maps at page 60, and a copy entered in Book 4 of Maps at page 37, said point being South 88 degrees 07' East along said line 206.55 feet from the Easterly line of Mission Street as it now exists; running thence from said point of beginning, North 4 degrees 01' 30" East 146.94 feet to a point; thence North 88 degrees 07' West 199.47 feet to a point in the Easterly line of Mission Street above mentioned; thence North 6 degrees 45' East along said line of Mission Street 60 feet to a point, said point being the Southwesterly corner that certain parcel of land conveyed by Gustav Lorenz to Henry Edward Lorenz, by Deed dated March 12, 1903 and recorded March 13, 1903 in Book 97 of Deeds at page 225; thence South 88 degrees 07' East along the Southerly line of said last mentioned parcel 515.06 feet to the Southeasterly corner thereof, said point being on the Westerly line of that certain tract of land known as Abbey Homestead, as per Map thereof filed in the office of the County Recorder of San Mateo County in Book "B" of Maps at page 43, and a copy entered in Book 1 of Maps at page 14; thence South 2 degrees 32' east along said line of Abbey Homestead, 207.24 feet to its intersection with the Northerly line of that certain tract of land known as "Resubdivision of Union Park", first above mentioned thence North 88 degrees 07' West along said last mentioned line 342.14 feet, more or less, to the point of beginning.

Parcel "C"

COMMENCING at a point on the easterly side of the County Road, being the northwesterly corner of Wedell's land, and running thence along the easterly line of the County Road, North 6 degrees 45' East 65.73 feet; thence South 88 degrees 03' East, parallel with the northerly line of land of Gustav Lorenz, 506.51 feet to the westerly line of the "Abbey Homestead"; thence along the westerly line of the "Abbe Homestead" South 2 degrees 16' East 66.24 feet to the northerly line of Wedell's Land, thence along the northerly line of Wedell's Land, North 87 degrees 59' West 516.9 feet to the point of commencement.

BEING portion of the land formerly called the "Knowles Tract" and containing .772 of an acre, more or less.

Parcel "D"

COMMENCING at a point on the Easterly side of the County Road which is North 6 degrees 45' East 133-13/100 feet, measured from the Northwesterly corner of Wedell's land and running thence along the Easterly line of the County Road north 6 degrees 45' East 68-87/100 feet to the Northwesterly corner of Land of Gustav Lorenz; thence along the North line of the land of Gustav Lorenz South 88 degrees 03' East 284-1/10 feet to the Westerly line of the "Abbey Homestead", thence along the Westerly line of the Abbey Homestead, South 2 degrees 16' East 68-82/100 feet; thence North 88 degrees 03' West parallel to the North line of the land of Gustav Lorenz 495-92/100 feet to the point of commencement. BEING portion of the "Knowles Tract" and containing 772/1000 of an acre, more or less.

EXCEPTING THEREFROM that portion conveyed by Deed from Phenie A. Ferro a single woman, to the State of California, dated April 6, 1933 and recorded May 6, 1933 in Book 589 of Official Records at page 437.

NOTICE TO CONTRACTORS

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 150 Oak Street, San Francisco, California, until 10 A.M. o'clock on TUESDAY, JULY 21, 1959, at which time and place they will be publicly opened and read, for performing work as follows:

San Mateo County, in Daly City, at the junction of Skyline Boulevard and Route 56 (IV-S.M.-55, 56-D1C), steel sign structure to be constructed, sign illumination system to be furnished and installed and highway lighting to be modified.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work desribed herein.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages in the county in which the work is to be done to be as follows:

Rate per hour	Classification
$3.325	Carpenter
3.37	Cement mason
2.965	Concrete laborer (wet or dry)
3.10	Concrete mixer operator (up to one yard)
4.066	Electrician
2.865	Flagman
2.865	Laborer
3.85	Operator of power shovel, dragline, crane, clamshell, backhoe—up to and including one yard
3.35	Painter (brush)
3.60	Painter (spray)
3.60	Reinforcing iron worker
3.85	Structural and ornamental iron worker
2.75	Truck driver—under 4 yards (water level)
2.81	Truck driver—flat racks under 10,500 pounds

Any classification omitted herein not less than $2.75 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

STATE HIGHWAY ENGINEER'S ESTIMATE

Item 1. 11 cubic yards Class A concrete (foundation).
Item 2. Steel sign structure.
Item 3. 88 linear feet metal plate guard railing.
Item 4. Sign illumination system.
Item 5. Modifying highway lighting.

FUNDS VERY LOW

Lack Of Public Donations Cuts County Aid To Polio Patients

Funds to continue financial aid to polio victims are "desperately low" in the San Mateo County Chapter of The National Foundation, it was disclosed today.

"We all want to continue to help pay these terrific bills for polio patients in our county," Chairman James J. Kahoe of the local county Chapter said, "but the 1959 March of Dimes campaign last January fell far below recent years."

As a result, he explained, the chapter is "faced with a serious cash on hand situation which has forced curtailing certain payments of bills for polio patient care which the Foundation has been able to pay over the years since 1938."

For example, Chairman Kahoe revealed that the Foundation has issued a national directive forbidding the payment of any doctor or surgeon fees until further notice.

Negotiations have been started with the county health department as well as other health private agencies, Kahoe added, to "see whether these groups cannot now help meet part if not all of these continuing financial costs of polio care."

One major cost met by the polio Foundation alone for many years, he said, is "that for home care attendants for those stricken by polio and paralysed in many cases for life." These home care cases cost hundreds of dollars each a month, it was disclosed, and the Fundation "has asked county chapters to see if this expense in future cannot be at least shared by other health agencies soon."

Curtailing financial aid to polio patients after two years from date of onset when stricken also was ordered by The National Foundation, Kahoe said. Exceptions include "priority polio patients", these being all paralytic polio cases through age 18; and other polio patients regardless of age with both arms and both legs paralyzed, or with "significant respiratory weakness" and in an "iron lung."

Regret was expressed by Kahoe and other local Foundation chapter leaders at the necessity of these curtailments, made mandatory by "lac of public donatiens in 1959."

NOTICE OF SALE OF REAL ESTATE

No. 26720

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of MARGARET PAULINE BROWN,
Deceased.

NOTICE IS HEREBY GIVEN that the undersigned Executor of the Estate of MARGARET PAULINE BROWN, deceased, will sell at private sale to the highest bidder for cash and subject to confirmation by said Superior Court, on or after Thursday, July 23, 1959, at the hour of ten o'clock a.m., at the law office of SCHOFIELD, HANSON, BRIDGETT, MARCUS & JENKINS, 10th Floor, Balboa Building, 593 Market Street, in the City and County of San Francisco, State of California, all the right, title, interest and estate of the said MARGARET PAULINE BROWN, at the time of her death, and all the right, title, and interest that the said estate has by operation of law or otherwise acquired other than or in addition to that of the said MARGARET PAULINE BROWN at the time of her death in and to that certain parcel of land particularly described as follows, to wit:

All that real property in the County of San Mateo, State of California, described as follows:

Portion of Lot 2 in Block 19, as shown on that certain map entitled "Map of the Lands of the School House Homestead Association Situate in the 1st Township San Mateo County," filed in the office of the County Recorder of San Mateo County on July 10, 1872 in Book "C" of Maps at page 61 and copied into Book 1 of Maps at page 9, being more particularly described as follows:

BEGINNING at the point of intersection of the Northerly line of Washington Street with the Westerly line of said Lot 2 in Block 19; thence from said point of beginning along said Westerly line, Northerly 115 feet to the Southerly line of lands conveyed from Margaret Pauline Henderson to E. Bertoloni and Lena Bertoloni, his wife, by Deed dated October 18, 1946 and recorded October 21, 1946 in Book 1298 of Official Records at page 458 (File No. 32467-G); thence along said last mentioned line Easterly 70 feet to the intersection thereof with the Westerly line of lands conveyed from said Henderson to Elio A. Ciardella and Enes M. Ciardella, his wife, by Deed dated May 12, 1953 and recorded May 13, 1953 in Book 2416 of Official Records at page 105 (File No. 80571-K); thence along said last mentioned line Southerly 115 feet to the above mentioned Northerly line of Washington Street; thence along said last mentioned line Westerly 70 feet to the point of beginning.

Bids or offers are invited for said property and must be in writing and will be received at the law offices of SCHOFIELD, HANSON, BRIDGETT, MARCUS & JENKINS, 10th Floor, 593 Market Street, San Francisco, California, attorneys for executor, or may be filed with the Clerk of the said Superior Court of the State of California in the County of San Mateo, or delivered to the said executor personally at any time after the first publication of this notice and before the making of said sale.

Terms and conditions of sale: Cash in lawful money of the United States of America, ten per cent of the purchase price to be paid on day of sale, balance on confirmation of sale by the Court. Deed at the expense of purchaser or purchasers. Property to be sold subject to taxes due for the year 1958-1959, and to any liens and assessments of record.

Dated: June 26, 1959.

CIVIL WAR SUBMARINE

During the Civil War, the Federal Navy paid a Frenchman $10,000 to build a submarine to sink the Confederate iron-clad Marrimac. But when a naval officer arrived to take command of the finished vessel, the inventor had disappeared (with his $10,000). As no one could figure out how to work the gadget, it never was of any use to the Navy.

Ordinance No. 492

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property, and

WHEREAS, all necessary proceedings, both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City required that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort and general welfare of the City of Daly City, and is not designed for the exclusive benefit of the applicant for said zoning.

NOW, THEREFORE, Ordinance No. 294 is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, from R-3 to C-1.

Said property is described as follows:

Easterly 25' of Lots 15, 16, 17, 18, 19, 20, and 21, Block 20, Resub of Union Park.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 22nd day of June, 1959.

Passed and adopted as an ordinance of the City of Daly City the 13th day of July, 1959, by the following vote:

AYES: Councilmen:
DeBernardi, Pacelli, St. Clair, Verducci, Dennis.
NOES: Councilmen: None.
ABSENT: Councilmen: None.

Sims Tops In Police Pistol Tournament

Officer Robert Sims recorded a sterling 282 points out of a possible 300 to take shooting honors at the Daly City Police Department's annual pistol tournament last Sunday.

Sims was followed by Officer Steve Steen who pin-pointed the targets for a 268 finale.

The handicap tourney found the department divided into four teams — day watch, swing watch, graveyard watch and inspectors and motorcycle police. Sims led the swing watch to their 1144 point winning total. The graveyard watch was second with a 1130 total. The 14 points Sims had over Steen was the same amount his team won by over Steen's.

Two Water Sports Movies Featured Friday In Pacifica

The Central California Council of Diving Clubs invites the public to see two films on water sports this Friday night at 7 p.m. at Pacifica City Hall, Santa Maria avenue in Sharp Park.

The movies, both to be shown twice, are on the 1957 World Diving Championships in Europe and "Spearfishing in the Mediterranean."

Donations will be asked, proceeds going to the national fund to send the U.S. diving team to the 1960 Olympics in Rome.

Coast County Streams Get Trout Plant

Coastal county trout waters this week were scheduled to get their final plants for the 1959 summer season, as rising water temperatures and drying streams made conditions unsuitable for trout in virtually all planting waters.

Waters scheduled for a final planting of catchable-sized fish this week included Fall creek and the San Lorenzo river in Santa Cruz county; the Big Sur and Carmel rivers in Monterey county; and upper Bean Hollow lake in San Mateo county.

Upper Blue lake in Lake county is scheduled for stocking during the following week. Additional plants are also scheduled for San Francisco's Lake Merced before the end of the month.

Any of these plants are subject to cancellation if water conditions deteriorate too far.

The state hopes to resume planting on some waters in the fall, if temperatures drop sufficiently to make conditions again suitable for trout.

Hunting Licenses, Tags Now Available

The 1959-60 hunting licenses and deer tags are now available from license dealers throughout the state.

Hunting license fees are $4 apiece and deer tags $2 apiece. Bear tags are also available and cost $1 a set.

AT GARDEN VILLAGE

Westlake, Broadmoor Youngsters Ready For Annual Jr. Olympics

On Friday, July 24, the Daly City Department of Parks and Recreation, Jefferson Elementary School District, Jefferson High School District, and the James L. Snell PTA will stage the annual Junior Olympics for the Westlake and Broadmoor areas.

The site for this spectacle will be Garden Village School and the starting time is 1 p.m.

Age classifications for this popular event are as follows: **BOYS:** Class A — 13 to 15 years; Class B—11 & 12 years; Class C—10 years & under; **GIRLS:** Class A—12 to 15 years; Class B — 11 years and under. The track events for the day will include: **BOYS:** Class A — 100 yard dash; All age groups—50-yard dash, 60-yard shuttle, 240-yard relay.

Field events for all groups will consist of the triple standing broadjump, softball distance throw, and the softball accuracy throw.

Playgrounds west of Junipero Serra boulevard are now organizing their Olympic teams. Interested participants should contact their playground leaders to get on the team. Participants will be limited to two track events and one field event, or two field events and one track event.

Playgrounds east of Junipero Serra will hold a Surprise Day. Information pertaining to that event can be obtained from playground leaders.

First Archery Deer Season Under Way

A 10-day archery deer season opened Saturday in the same coastal counties which will open two weeks later for the early rifle season. The archery season will continue through July 20.

Another pre-deer season archery season, also for a 10-day period, will open September 26, and includes only the counties open during the Inland Season.

There will be no archery season on bear this year.

Playgrounds' Surprise Day Set July 24

Daly City Department of Parks and Recreation announces that all playgrounds east of Junipero Serra boulevard will hold a Surprise Day Friday, July 24.

Playground leaders are presently organizing their events. Youngsters are asked to check with their leaders to learn the nature of their playground's event.

Playgrounds in the Westlake and Broadmoor areas will hold their Surprise Day on Friday, July 31.

THOROUGLY intent on winning a lei, children go fishing for rubber fish at the Marchbanks Park penny carnival held last Friday. Cost of tickets was from one cent to five cents. A penny carnival is scheduled for Garden Village playground tomorrow. THE RECORD photo

JUNIOR LEAGUES

Youngsters Of All Ages Making Rapid Progress At W'lake Bowl

Aware of the fact that a few years ago when bowling was becoming the nation's fastest growing participant sport, nothing was done to encourage the youngsters, the far-sighted men of the American Bowling Congress decided that a program to interest these future bowlers should be adopted.

Out of it came the American Junior Bowling Congress, whose members toured the country, seeking the aid of the proprietors to help put over their extensive program of educating the young to start bowling.

That their efforts were successful, one needs only to drop out to Swanson's Westlake lanes and see these youngsters, ranging from ages 8 to 18, roll in the various leagues.

Monday mornings the bantams take over. And it is remarkable to watch these tykes deliver their bowling balls down the lanes. Some stand no higher than four feet, but insist on using a ten to twelve pound ball.

The top age of this group is 11. Two games are bowled during league play. More than that, the AJBC and the instructors are of the opinion it would be too much bowling for this group of youngsters.

Kathy Brown is tops in averages for the young ladies. Carries 94 and the way she is improving may wind up with over 100 before the league is over. Mark Caserta, captain of the Grenades, had the high series of the week in the lads' division, a 241.

The turnout for the Intermediates, Wednesday mornings, ages 12 through 14, was so great that two leagues had to be formed.

In group 1, Bruce Hix joined so that he could keep up with mom, sis and pop who bowl in leagues at Westlake. Bruce is starting to get the habit of getting good games. His latest was a 190.

Les English, in group 2, is making the old timers sit up and take notice. Only 14, Les delivers a bowling ball that churns the pins. Had a 193 and a 544 series last week. He also takes part in the Junior league. His 201 game was the second over 200 to be bowled in the latter loop. Les is topped only by John Bussey, who with six strikes in a row fashioned a 213.

Firing a 236 game in the first week of play, John Bartelmez gave the rest of the boys in the James Snell Recreation League something to beat.

Marge Brown, instructor at the Westlake lanes, is proud of her daughter, Darlene. Carrying a 114 average, Darlene came through with a 434 series and a 155 game—to date her best ever.

Saturday and Sunday the Westlake Lanes will have a $1 Pot Game. The average limit is set at 175. No one with an average above will be allowed to roll in these games. Also those with an average of 140 who are able to bowl 220's will be barred.

On Friday mornings at 9:30 a.m. classes of instruction will be held. All are invited to take advantage of this opportunity. If you are a beginner or in need of advice to straighten out a fault an instructor will be happy to assist you.

Ten Pin Chatter . . . Speaking of Swanson . . . he was hot again in the 825 scratch league. . . . another such series a 650 league . . . Bob Smith's 593 series led his Pinelake Market five to a clean sweep over their pigeons, Westlake Liquors . . . Stan Perry finally shook his slump . . . an 802 for four games in the "500" Trio . . . Nel Trinca, the Kodak man, had visions of another high series . . . started with 232 . . . finished with 594.

Garden Village Hosts Carnival For West Siders

"Try your skill" will be the familiar cry this week at Garden Village School when the Daly City Department of Parks and Recreation will hold its seventh annual Penny Carnival for all playgrounds on the west side of Junipero Serra boulevard.

Activity gets under way at noon. Various game booths of skill, hot dogs, prizes, sodas and pop corn will be in store for this in attendance.

Playground leaders will walk their participants to and from the carnival site. Interested youngsters should sign up with their leaders as soon as possible to get in on the carnival fun at the Garden Village School playground.

Rifle Shoot Set By Brisbane Club

Brisbane Rod and Gun Club will hold a ham-and-bacon rifle shoot this Sunday morning at their range on the Coastside near the Half Moon Bay Airport.

The firing starts at 10:30 a.m. and all deer hunters are invited to participate. The shoot is open to both large and small bore guns with scope, peep or open sights.

To reach the range, turn east off Highway 1 opposite the airport.

Peninsula Sports Radio Show Hosts Two Top Athletes

Baseballer Dave Turnbull, San Carlos' South Peninsula Athletic League Player of the Year, and cyclist Dick Bronson, a candidate for the 1960 Olympics, will be interviewed by Warren Wynkoop on KOBY radio station (1050) Saturday between 5 and 6 p.m.

Turnbull, former Carlmont slugger, won accolades last spring as Player of the Year and is currently playing on a summer baseball team. Bronson, who attended Carlmont two years ago and is a student at the University of British Columbit, will be a part of Wynkoop's program which features Peninsula prep and adult sports news.

In addition, popular music and dixieland jazz may be heard on the weekly show.

DC Drugs Lead Adult Softball Via 12-3 Win

The second week of the Adult Softball League, sponsored by Daly City's Department of Parks and Recreation, has gone into the books.

Daly City Drugs, led by the four-hit pitching of Barney Sherman defeated Baroni's, 12-3, at the Colma diamond Tuesday night last week. The Drugs got off to a fast start by scoring six runs off Baroni's starter, Ed Miller. Ino Patron and B. Powers each collected three hits for the winners.

Wednesday night's contest at Westlake Park saw Sarto A.C. take the measure of Dan Goodwin Roofing Company, 9-4. Wayne Clay pitched good ball for the Athletic Club, scattering nine hits and allowing no walks until the final inning he issued two free passes.

Thursday night, Ralph's Cleaners swung into action for the first time and drubbed Consolidated Schools, 12-2. Mike Clark was the winning pitcher as he scattered six hits. The game featured two long homeruns for Ralph's Cleaners. Pat Cassidy hit a three-run homer on the first pitch when he lofted the ball into left field trees. Rich Watso blasted the other deep into right field.

William Lagomarsino & Co. drew a bye.

ADULT LEAGUE

'Carnival' Attracts Over 1000 Children

The Penny Carnival sponsored by the Daly City Department of Parks and Recreation proved to be once again one of the highlights of the special events.

More than 1000 youngsters flocked to Marchbanks Park for the gala event where 6000 prizes were awarded.

This Friday, Garden Village will be the site for the Penny Carnival for Westlake and Broadmoor youngsters.

The name Sierra Nevada, identifying the present Sierra, first appeared on a map by Father Pedro Font in 1777; earlier explorers applied the name to the Coast Range.

A 'MESSAGE FROM GARCIA'

Anita Garcia, Hostess of the 1959 California Rodeo at Salinas, buckles on her spurs as she prepares to spread the word that the dates of this year's cowboy classic are July 16 through 19 with performances starting at 1:30 o'clock each afternoon.

Rich Fenn, accordionist, Tina Cashmere, vocalist, and Martita Santiago, KIP dancer, have been invited to return again to Letterman Hospital, after their successful show in the wards last week.

Letters To The Editor

Attorney Lauds Callan Zoning Meet Coverage

ear Mr. Bradshaw:

I wish to take this oppority to thank you and your aff for the very fine and comehensive coverage given to e city council meeting of ril 27 wherein I was privied to represent a group of ur citizens in opposing the plication of Mr. Thomas Caln Jr. to rezone certain porons of the Vista Grande area the Abbey Homestead from 1 to R-3.

As your paper so ably reorted, we were defeated by a te of 3 to 2 with Councilmen celli, St. Clair and Dennis approval and Councilmen Deernardi and Verducci for nial.

Defeat is usually a bitter pill swallow but there is an old ying that out of every defeat me good must come. I cant vouch for the saying as ch, but I can say that at least my case I found two good ings as a result of this matr.

First, I found that a wonderl group of people live in this ea, who, now because they ve been exposed to the workgs of their city government, am sure will take a more ace part in its administration. is group has been hardrking, cooperative and ensiastic. It was reassuring to their community spirit and ic pride.

Secondly, I found that Daly City is very fortunate to be serviced by a newspaper that reports its findings in an unbiased and objective manner without consideration of the personalities involved. It is because of these two findings that I am confident that the will of the people shall manifest itself and with the assistance of an enlightened press such as yours, your fine city shall continue to expand and prosper and take its rightful place as one of the principal communities in the Bay Area.

Once again, many thanks on behalf of the residents of this area as well as myself.

Appreciatively,
John McInerney
324 Malcolm Avenue
Belmont, Calif.

Civil Service Tells Revenue Agent Openings

Several vacancies in revenue agent civil service positions starting at $4980 with excellent opportunity for advancement were announced today by District Director Joseph M. Cullen, Internal Revenue Service. These professional accounting positions are located in Internal Revenue Service offices throughout northern California.

Applicants should have four years of college training with a major in accounting. For further information please contact any local Internal Revenue Service Board of Examiners, Room 1213, Flood Building, 870 Market street, San Francisco, immediately.

STARTS NEXT WEEK

Director Bodien Says Fair Will Feature 150 Commercial Exhibits

More than 150 commercial exhibits at the San Mateo County Fair and Floral Fiesta, July 31-August 8, will feature everything from Hawaiian grass shacks to a see through electrical kitchen, according to Arthur Bodien of Daly City, director of commercial exhibits.

Fair goers will be laden down with free literature sausage, bakery products and other goodies. About the only firms not giving away free samples are banks, Bodien said.

Space originally allotted to commercial firms in the Home and Industry Building is completely taken and late comers are planning to show their wares under canopies on the outside. Bodien urges commercial firms to reserve space now for next year's celebration.

The largest exhibit, taking up 3500 square feet, will be the electrical display, planned by the Electrical Industries Council of San Mateo County (which includes the International Brotherhood of Electrical Worker's the Peninsula Electrical Contractors and the Pacific Gas and Electric Company). Special feature of the exhibit will be a completely equipped electrical kitchen, which will be given away at the end of the Fiesta's nine-day run

Pan American World Airways Hawaiian exhibit placed against a backdrop of Waikiki Beach will be manned by representatives from the Peninsula's travel agencies, who will be ready to take your reservations for "Where in the World Do You Want To Go?"

Pianos, organs, china, sausage makers, sewing machines, freezers, vacuum cleaners, bakeries, books, newspapers, oil information, insurance, artists and banking are among the many exhibitors and exhibitions to be displayed throughout the fairgrounds.

The progress of two San Mateo County cities, Pacifica and Daly City, will be pictorially displayed.

"This is a new feature of the Fiesta," Bodien explained. "We hope next year all of the cities in the county will have booths."

LONG-RANGE PROGRAM

FRANCIS CITES STATE FREEWAY PROGRESS

Water project construction is not the only type of public works engineering in which California will be setting new records during the coming generation, Assemblyman Louis Francis today pointed out.

The 1959 session, in addition to enacting major water legislation, also passed a freeway bill which will provide for the largest system of such highways in any state. Already signed by the governor, the measure is now law.

The law establishes a new "California Freeway and Expressway System" which will be composed of more than 12,000 miles of existing and new highways. Slightly over 10,000 miles of the existing state highways have been included in the new system, and more than 1600 miles of roads now under local control have also been written into it.

The construction and reconstruction program will require at least 20 years, and will surpass the water construction job in size. No final price tag can be put on an engineering project of such magnitude, but it has been estimated at $10.5 billion in current dollars.

The act declares it to be a matter of public policy and essential to the future development of the state that a statewide system of freeways and expressways be established and constructed without regard to the present jurisdiction over the highways, roads and streets that might be included. It is further declared to be public policy that deficiencies in any part of the state highway system not included in the new one be corrected simultaneously with those in the freeway system in proportion to the relative needs of traffic service.

Recognition is given in the law to the fact that the dynamic growth of California will require periodic review of the freeway and expressway system. The department of public works is required to report to the Legislature every four years as to changes and revisions needed in the system. Provision is also made for establishment of local advisory committees, and for cooperation with them by the department.

For the first time, the terms, "freeway" and "expressway" are legally defined. Under the new law, a freeway is a divided arterial highway on which there is full control of access and grade separations at intersections. An expressway is a highway for through traffic which may or may not be divided or have grade separations, but on which there is partial control of access.

The state highway commission will have the responsibility for designating the portions of state highways to be included in the new system. It will also determine the extent to which access to the designated portions will be limited in order to protect the public investment and permit ultimate development as full freeway or express.

This new freeway law is a fine example of forward looking legislation, carefully drafted after intensive investigation of all relevant factors. It is the result of two years of hard work by the Joint Interim Committee on Highway Problems. All levels of government involved in highway matters cooperated in the committee's studies. Many provisions of the law designed to safeguard local interests and yet give the state the best freeway system are the result of their suggestions, Francis explained.

MUNI COURT CLERKS DUE WAGE BOOSTS

Legislation was signed Monday by Governor Edmund G. Brown increasing the salaries of municipal court clerks of San Mateo county and equalizing their compensation to that paid other county employees with similar duties and responsibilities.

Both measures were introduced by Assemblyman Louis Francis of San Mateo county at the request of the County Board of Supervisors and endorsed by the County Grand Jury. This legislative action will permit alignment of salaries for municipal court clerks for those paid for comparable positions under the county merit system, effective on September 18.

One will increase the annual salaries of the clerk of the central judicial district which consists of San Mateo, Burlingame, Hillsborough and Millbrae from $7620 to $8232 per year. Authorization is provided in the bill for the appointment of a chief deputy clerk and a monthly salary of $439 per month with annual raises to the maximum of $549 per month.

The other bill by Assemblyman Francis provides similar increases for municipal court clerks for the northern judicial district consisting of San Bruno, South San Francisco, Daly City, Pacifica, Brisbane and Bayshore City.

The United States launched the satellite "Explorer I," January 31, 1958.

5 DC Couples Eye Chamber Project Title

Five Daly City couples have filled out applications in the Chamber of Commerce's "Silver Anniversary Couple" contest.

The local chamber within the next two weeks will select one married pair here to be honored with silver anniversary couples of the other Peninsula cities at the San Mateo County Fair, which opens on July 31.

Fred Martin, project chairman for the Daly City Chamber, reminds that this week is the deadline for couples married 25 years this month to fill out entry blanks. These are available at 6454 Mission street and at 3317 San Jose avenue.

Couples in the running here thus far are: Mr. and Mrs. David K. Adams, 94 Brooklawn avenue; Mr. and Mrs. Joseph Lewkowitz, 501 Vista Grande avenue; Mr. and Mrs. Frank Specht Jr., 100 Lincoln avenue, and Mr. and Mrs. Edward W. Walthard, 971 Southgate avenue. The fifth couple's papers have not been returned to Martin as yet.

VEHICLE DECLINE

Motor vehicle registrations declined during 1958 in three states—Michigan, North Carolina, and West Virginia—reports the California State Automobile Association.

It was not until 1876 that the Navy adopted the English Morse telegraphic code.

Hope Lutheran Pastor Awaits Duty In Hawaii

Hope Lutheran Church, on old San Perdo road in St. Francis Heights will give a send-off to its pastor, the Rev. Louis C. Marting, this Sunday evening when he will leave for an extended Youth Leadership Training Program in Hawaii.

Marting will be accompanied by two "caravaners," young people who have been actively engaged in youth work and who have been especially trained in a "youth meets youth" training program. They are Linda Gerling of Mission, Kansas, and Steve Carter of Indianapolis, Indiana. These two are already in the islands making preliminary visits to the Lutheran congregation with the view to establishing a more effective youth program.

Beginning next week Marting will serve at the youth Camp as guest lecturer. The following week he will serve as dean of a Lutheran Service Volunteer School, a training program for teenagers centering around worship, recreation, Bible Study, and Group Work techniques.

This Hawaiian Youth Leadership training program will be climaxed by a Youth Counselor's Retreat, August 7-9.

The entire program is under the guidance of the Walther League, Internatioanl Youth Organization of the Lutheran Church - Missouri Synod. Pastor Marting was chosen to participate in this program because he has served for three years as chairman of the District Youth Committee of the Lutheran Church.

Temple Judea Starts Annual Journal Drive

The annual Souvenir Journal Drive of Temple Judea is under way. All proceeds of this drive go toward the support of the congregation's religious school.

The Journal will contain a membership directory and a list of advertisers throughout the Bay Area, which will be constantly referred to by all members of the congregation. Anyone interested in placing an ad in the journal may call the Temple office, PL 5-9463, or write to Temple Judea ,95 South Mayfair, Daly City.

Everyone is invited to attend Sabbath Evening Services held on Friday evenings at 8:30 p.m. at the Westlake Temple House. These services are followed by a reception and social and are presented in an atmosphere of friendship and warmth.

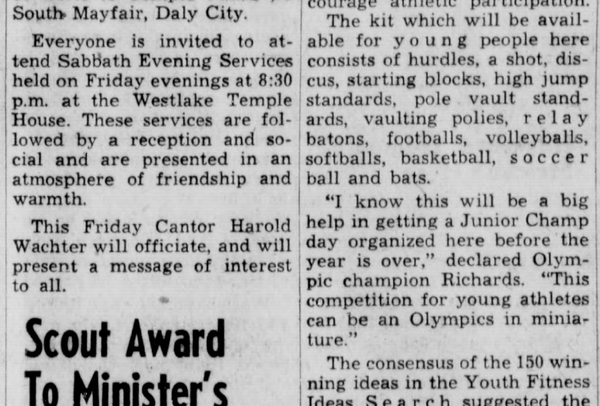
This Friday Cantor Harold Wachter will officiate, and will present a message of interest to all.

Scout Award To Minister's Son In B'moor

There will be several special events at the 10 a.m. Sunday service on July 19 at Broadmoor Presbyterian Church, 377 87th street.

The Junior-Youth Choir will sing an anthem as directed by Delmar Severy, organist-director. Then Scout Tim Tweedie will be presented with the Boy Scout "God and Country Award" for achievement in churchmanship. The presentation will be made by his minister-father, the Rev. Herbert Tweedie. Assisting will be his Scoutmaster, John Pickens of Troop 259; William Caldwell, assistant District Neighborhood Commissioner, and Larry Enwright, the assistant county Scout executive.

Another part of the service will be addresses by Mrs. James Fairbanks and Miss Penny Tweedie. They will tell of their experiences and impressions from recent attendance at the Synod of California and Youth Synod held at Occidental College in Los Angeles.



PENINSULA PRIDE III, this fine Black Angus, is the prize awaiting the lucky person who comes closest to guessing his weight at the San Mateo County Fair and Floral Fieta, July 3-August 8. With the steer is 16-yead-old Peggy O'Connell, a member of the Woodside 4-H Club and daughter of Mr. and Mrs. R. E. O'Connell, 490 Santa Clara avenue, Redwood City. Peggy has taken care of Peninsula Pride since he was a calf, donated by the San Mateo County 4-H Council to raise funds for club equipment.

PASTOR Louis Marting of Hope Lutheran Church and Ben Eggers, former chairman of the Walther League executive board, discuss the Youth Leadership Training Program in Hawaii this summer. Onlookers are two youth "Caravaners," Linda Gerling of Mission, Kansas, and Steve Carter of Indianapolis, Indiana, who will accompany the DC minister to the islands for the special program.

DC Woman Donates 'Youth Fitness Idea' Reward To OLPH School

Daly City is one of 150 cities throughout the United States which will receive a complete 47-piece "Junior Champ" recreation kit from the Wheaties Sports Federation for use by this area's youth in the national drive for improved fitness.

The "Junior Champ" equipment will be given to Our Lady of Perpetual Help School by Doris R. Christen, 474 Bellevue avenue, Daly City, who was one of 150 winners among thousands of participants in the Wheaties Youth Fitness Ideas Search. She submitted what was adjudged one of the best letters in 50 words or less on what the Wheaties Sports Federation should do to promote fitness throughout the nation.

Olympic pole vaulting champion Bob Richards is director of the Federation which was formed by General Mills to encourage athletic participation.

The kit which will be available for young people here consists of hurdles, a shot, discus, starting blocks, high jump standards, pole vault standards, vaulting polies, relay batons, footballs, volleyballs, softballs, basketball, soccer ball and bats.

"I know this will be a big help in getting a Junior Champ day organized here before the year is over," declared Olympic champion Richards. "This competition for young athletes can be an Olympics in miniature."

The consensus of the 150 winning ideas in the Youth Fitness Ideas Search suggested the most practical and valuable campaign in promoting national fitness should embody these features:

1. The publication of booklets dealing with the fundaclaiming division was launched only a month ago but has caught the fancy of fans and drivers because of the "race for fun" aspect. All cars must be stock and subject to claim.

The important championship point chase, which will determine the first champion of the new division and also the distribution of trophies and cash awards at close of the season, found Glenn Ward, Daly City, tied a week ago with Tom Dunne for top place, dropping to sixth. Car trouble kept Ward out of point events.

Johnny Dart, Hollywood, winner of the trophy dash last week, moved into a substantial second place in point standings with his second place position in the main event.

mentals of sports.

2. The distribution of printed materials explaining how to organize local fitness clubs, how to organize community sports programs, how to set up facilities and how to make and preserve equipment.

3. The establishment of contests to focus attention on fitness.

4. The development of motion pictures on fitness and sports.

5. Demonstrations of fitness on national television programs.

6. Use of parking lots for sports in non-parking periods.

7. Talks by Bob Richards urging emphasis on fitness.

8. Establishing of standards for fitness exercise at all ages.

9. Providing fitness information and encouragement to national and state committees set up to stimulate activity in this field.

B'nai Israel's New Choir Needs More Vocalists

The first meeting of Congregation B'nai Israel's newly organized mixed choir was held on July 2 at the home of Mr. and Mrs. Edward Mordson, 20 Naylor street, San Francisco.

Present were: Rabbi and Mrs. Solomon Shore, Mrs. Edgard Hart, Mrs. Jacob Siegel, Mrs. Isaac Goldberg, Mrs. Reuben Pinkus, and Irving Podolsky, the choir coordinator.

The choir will sing liturgical music and be a permanent part of the Friday evening services. The group welcomes additional participants, and anyone with vocal talent who is interested in joining the choir is asked to contact Podolsky at JU 3-9395 or Rabbi Shore at JU 6-7642.

Congregation B'nai Israel is located in Daly City and is the only Conservative Jewish Congregation on the Northern Peninsula.

Traffic Lights Project Begins On So. Mayfair

Work began Monday on the installation of four traffic signals at the Lake Merced boulevard-South Mayfair avenue intersection in Westlake next to the shopping center.

Public Works Director Otis Calhoun said the $18,233 project, financed by Daly City gas tax funds, will take about 60 days to complete.

Lake Merced boulevard (south of Alemany) formerly was designated as Lynnewood drive.

DC Police Locate Truck Stolen From Redwood City Firm

Daly City police are on their toes — if returning a stolen truck before it has been reported as missing and not even known to be missing is any indication.

Such was the case last Thursday morning when Officer Tom R. Culley arrived at 798 San Diego avenue on the report of neighbors that two boys had left a dark green pick-up truck parked in the street.

Culley said the truck's ignition wires had been crossed. A check of the registration showed the vehicle belonged to the Gruening Appliance Company of Redwood City. The owner said he did not realize that the truck had been taken.

The truck was kept at Broadmoor Service, 173 School street, then released to the owner.

278 SM County Boy Scouts At Summer Camps

Two hundred and seventy-eight Boy Scouts and 14 adult leaders left for the three San Mateo County Council, Boy Scouts of America summer camps last Sunday — 163 to Camp Pomponio, near La Honda; 80 to Camp Ed Barrer at Avery, and 35 to Camp Kit Carson, on the Carson Pass Highway.

During the four-week season more than 1200 Boy Scouts and their leaders will have been in one of the three camps for a week or more.

Eleven Scouts from Broadmoor Village Troop 129 under the leadership of H. Stettler, Scoutmaster, are attending Camp Kit Carson. They are Pat Robin, David Fletcher, Jim Hunt, Edward Muller, Jim Tobin, Larry Flint, Kenneth Stettler, Robert Johnson, Chuck Suenderman, Ronald Shiveley.

Local Barbers Get 25-Cent Haircut Hike

Residents of Daly City and all other North San Mateo County communities except Pacifica will bid goodbye to the $1.75 haircut on July 31.

Barbers and Beauticians Union Local 148, covering shops in San Francisco and the north county, Monday voted a 25-cent hike in haircut rates, effective August 1. Children's rates go up from $1.50 to $1.75 on weekdays and will be $2 on Saturdays.

Other increases effective the first of next month are: shaves, from $1 to $1.50; tonic, from 35 cents to 60 cents; massage, from $1 to $1.25; and women's neck trims, up to $1.25.

A $15 weekly pay raise for barbers and apprentices will result from the haircut hikes.

Barbers will receive a minimum of $80 weekly and the apprentices get $65.

Pacifica does not fall under the ruling as the governing body for its barbers is Palo Alto Local 914. All union shops from Burlingame south to Mountain View recently upped their haircut rates to $2. Most California barbers' unions are expected to follow suit.

Brisbane Debs Set Hawaiian Dance Theme

Secretary Pat Narlock of the Brisbane Debs, girls club, announces that the group will present an Hawaiian Dance titled Enchanted Island on Friday evening, July 31, to honor the 50th state.

The dance, which will be held at the Brisbane Legion Hall, will be chaperoned by adults and features two dance contests and other surprises. Tickets are now on sale and will be sold at the door for 60 cents stag and $1.10 per couple. The dance begins at 8 p.m. and ends at 1 a.m. The dress is casual and music will be by records.

The beginning of midshipmen in the Navy is traced to the early days when each warship carried a number of young lads who acted as messengers, rushing orders from the officers aft to the men up forward. Generally, a midshipman was regarded as an officer candidate.

TOP PITCHING

DC Drugs Nine Keeps Leadership In Two Loops Via Weekend Wins

Tight pitching by Terry Christman and Larry "Babe" Kane kept Daly City Drugs clinging like cloth to first position spots in the San Francisco Recreation Department "C" League and the Sunday Northern Peninsula High School League.

Christman's two-hit shutout led the Drugs to a 19-0 massacre of Pacifica Sea Bowl at Sweeney Field Saturday. Georgie Claus and Barry Krohn both had 3 for 4, with Claus' pushing four runs across the plate.

Bill Hynes had four of the eight stolen bases the Creighton-Krohn kids accounted for. Christman chalked up nine strike outs while walking three.

Kane's one-hitter Sunday added up to 14-2 trouncing of PAL of South City at Orange Memorial Park. Kane started shakily, three walks and a throwing error accounting for both PAL runs in the first inning. He accounted for more runs himself later with three runs-batted-in.

Skipper Crudo drove in four runs off two base hits.

First baseman Paranella accounted for the only South City hit. Kane kept the PAL nine loose by walking seven and striking out eight.

Action this week finds the Drugs facing Saxe Realty at Balboa Park at noon Saturday and Dante's Pisa at Marchbanks, 11:30 a.m. Sunday.

Tom Dunne On Top In Belmont Stock Car Races

Forced out of preliminary races by a broken wheel, Tom Dunne, San Francisco stock driver, repaired his car in time to enter the main event, capture a third place and maintain his point leadership in the NASCAR Stock Car-Jalopy claiming races at Belmont Speedway last Friday night.

Dunne ran third to his brother, Pat Dunne, San Francisco, winner of the main, and Johnny Dart, Hollywood, challenger, but unable to gain the lead in a duel for 18 laps of the 20-lap (5 mile) feature event.

Unexpected interest in the new "low-price-car" racing programs Friday nights at Belmont caused Manager Ted Smyth to post a guaranteed $400 purse for this week's competition, plus two trophies in lesser events.

Fifty or more stock cars and jalopies, any one of them subject to be claimed for $99, will participate in heat races, trophy dash, special events, consolation race, semi-main and main events. Feature race of the evening will provide that top money goes to the driver finishing in third place, a control position" race demanded by fans.

Commercial Fishery Landings Increase 12 Percent In '58

The second greatest total on record of commercial landings and shipments of fish into California was recorded in 1958, the Department of Fish and Game announced today.

Landings and shipments, which increased by 12 percent over the previous year, totaled 831,374,791 pounds in 1958. Previous high year was 1951 when more than 900 million pounds were recorded.

The Department said the most important factor in the increase was the strong return made last year by sardines. Processors handled 101,567 tons in 1958, an increase of 161.5 million pounds over 1957. It was the best year since the 1951-52 season when 126,541 tons were processed. In weight, the sardine was the top species caught last year. Other leading species (in pounds) were: Yellowfin tuna 124,095,-185; skipjack tuna 122,855,653; bluefin tuna 31,048,845; Pacific mackerel 27,648,485; rockfish 17,571,258; anchovy 11,514,030; Dover sole 7,960,695; bonito 5,546,806; English sole 5,064,-586; salmon 3,656,841; petrale sole 3,099,701; white seabass 2,847,552; Pacific herring 2,399,730.

'58 Good Year For Ocean Boat Fishermen

Ocean party boat sports fishermen of California hauled in a record 3,950,880 fish during 1958 and set three other new records during the year.

The record highs were:

Barracuda, 782,723, well over the 577.184 record set the previous year; **Bonito,** 422,568, almost doubling the high of 258,-555 caught in 1957; and **Lingcod,** 39,801, slightly over 1957's catch of 38,012, the previous high mark.

Ocean anglers last year caught more than seven fish per day during 515,152 angler days of salt water fishing. Record number of angler days was set in 1951 at 556,949.

Rockfish continued to lead the ocean catch. In 1958 ocean anglers took 1,561,132 of this species. This is up a bit from the 1957 catch of 1,395,151, but well below the record set in 1956 at 2,036,708 fish.

The leading species in 1958 were: Rockfish 1,561,132; barracuda 782,723; kelp or sand bass 653,671; bonito 422,568; Pacific mackerel 136,607; yellowtail 123,384; salmon 52,676; lingcod 39,801; white seabass 34,039; jack mackerel 27,867; white croaker 20,000; sheephead 18,120; California halibut 16,192; sculpin 13,743; cabezon 9909; miscellaneous flatfish 9265; albacore 6482; ocean whitefish 6143, bluefin tuna 884; skipjack 491; yellowtail tuna 13; all other species 15,170.

VULNERABLE

Men are involved in seven out of ten pedestrian fatalities, reports the California State Automobile Association.

Anti-Pollution Bill Signed By Governor

Fish and Game Director William E. Warne hailed the signing into law by Governor Edmund G. Brown of the Meyers Pollution Control Bill as a long needed step in protecting the waters of the State for fish-life, recreation and other beneficial uses.

"Although not all the Department's recommendations were included in the new law," Warne noted, "it does embody the major features recommended by Fish and Game and by the Departments of Water Resources, Public Health, Agriculture and Natural Resources."

The new law, which supersedes the old Dickey Act, provides for quicker and easier punishment of violators and for more effective abatement of pollution by Regional Water Pollution Control Boards. Another major feature is the addition of two new members to such boards, one from a recognized non-governmental group representing fish and wildlife interests and the other representing the public at large.

This marks the first time that groups primarily interested in wildlife and recreation will have direct representation on the water pollution boards. Members of the boards are appointed by the governor.

Other major points of the new law are:

(1.) A Legislative declaration that it shall be State policy to maintain the waters at the highest quality consistent with the needs of the people.

(2.) Regional boards can protect certain sensitive areas from waste discharges of any kind and need not, in any case, permit discharges to utilize the full carrying capacity of the receiving waters.

(3.) Waste discharge requirements assume the status of "law" and regional boards can now issue an immediate cease and desist order in cases of violation. Boards are no longer required to prove that violation is creating "pollution" before abatement action can be taken.

Another factor pleasing to the Department of Fish and Game, the Director stated, is that wide-spread and well attended public hearings were held on the new anti-pollution law, with both the public and the Legislature expressing keen interest in the growing problem of pollution of California's waters.

Terra Nova Bids To Be Awarded On August 3

Bid for the grading of Terra Nova High School site in Linda Mar will be awarded on August 3 — the same night an open hearing on the new budget is being heard by Jefferson High School District trustees.

The board approved specifications and plans drawn by Terra Nova architects Falk and Booth last Monday evening. Falk said, "A few of the expenses may be more than anticipated and the plans are not 'gospel' in themselves to the contractor, as some changes are inevitable despite all the precautions our firm has taken."

The bid will be awarded to the lowest bidder with the approval of the department of finance being a necessity, Superintendent Ed Morgan said.

College Vocal Group To Sing At B'moor Church

The Choralaires, a music group from Pasadena College, will present a special program at Broadmoor Church of the Nazarene, Edgeworth avenue and Washington street, Colma, at 7:30 p.m. next Tuesday.

They will provide the evening program, tell of student life at Pasadena College, and speak with any young people who are interested in the college.

Pasadena College is an accredited four liberal arts Christian college. Recently a new expansion program has been under way which has provided a new student union building and dormitory facilities. The school has a high scholastic rating, with a faculty well supplied with doctor's degrees.

The student body is composed of students from various parts of the country and different denominations. State teaching credentials may be earned through Pasadena College. The college also has an M.A. program in religion.

Miss Stites' Engagement Is Announced

A cocktail party given recently at the Westlake home of the Howard I. Stites, 34 Northgate avenue, was the occasion for the announcement of the engagement of their daughter, Shirley Ann, to George Evan Arnold. Guests received the news together with the nuptial date engraved on the cocktail napkins.

The future bridegroom, son of Jack Arnolds of San Francisco, recently completed three years with the United States Air Force and is presently in business in San Francisco.

Shirley, a graduate of S.F. State College, is now employed at Safeway Stores offices.

Out-of-town guests at the party included Shirley's aunt, Mrs. Alvalyn Gilmore, of Burbank, and Ruth Kuss of Redding. Miss Kuss will serve as bridesmade as will the groom's two sisters, Jean and Bette Arnold. Matron of honor role will be filled by the bride-elect's sister, Mrs. John L. Dopp, who is enplaning from her home in Wisconsin to be on hand for the festivities.

The wedding will take place Sunday, August 2, at Saint John's Presbyterian Church, with the Rev. Lloyd Carrick, D.D., officiating.

Hayward Woman Stricken Here

Kathleen Grove, 29, was brought to Junipero Serra Hospital Saturday evening after police and firemen responded to 1184 South Mayfair avenue on a call from the woman's mother, Mrs. Anrew Dinkel, that her daughter was having a heart attack.

Oxygen was administered by Fire Company No. 5 before Mrs. Grove, 27565 Verona avenue, Hayward, was transported to the hospital.

Lt. Bob Roddy Of DC Completes Virginia Duty

First Lt. Robert E. Roddy, 25, son of Mr. and Mrs. Carroll J. Roddy, 980 Southgate avenue, Daly City, completed the company-grade officer course July 2 at the Army Transportation School, Fort Eustis, Virginia.

Lieutenant Roddy entered the Army in October 1956 and was last stationed at Camp Irwin, California.

Roddy is a 1952 graduate of Serra High School, San Mateo, and a 1956 graduate of the University of San Francisco. He is a member of Scabbard & Blade society.

Vandals Do $340 Damage At Westmoor

Glenn South, principal of Westmoor High School, reported $340 damage to sprinklers and a fence located on the school grounds Tuesday. South said the damage has been done during the past two weeks, probably during the 2½ hour lapse between gardeners shift changes.

Part of a fence located at the northwest side of the soccer field has been damaged along with wires and hoses to sprinklers and sprinklers have been twisted, damaging the heads.

Officer Art Linhares told South police patrols will keep a closer watch on the area during shift changes.

Anti-Litterbug Program Begins

A new program intended to educate hunters and fishermen on the importance of leaving clean camp sites and not littering public or private land is being undertaken by the state.

Director William E. Warne said the problem of the litterbug is of vital importance to the future of outdoor recreation in California, particularly as it concerns the opening of private land to hunters and fishermen.

"We are going to try to impress the sportsmen that they must form the habit of cleaning up after themselves if they expect to be permitted on privately owned land," Warne said.

"While hunting and fishing opportunity is constantly being decreased by the expansion of suburban residential and industrial development," the Director continued, "additional thousands of acres of farm and ranch land are being closed to sportsmen by landholders who don't want their property to look like a garbage dump. If property owners could be sure hunters and fishermen would keep the premises clean, much of this land might be opened."

Warne noted that hunters and fishermen certainly aren't the only litterbugs, but it is hoped that they, individually, and through their sportsmen's organizations, will take the lead in the fight to make California a clean state in which to live and play.

THESE seven Broadmoor Presbyterian Church youngsters are attending week-long church camps this summer. Marsha Hart (left front) is showing a camp publicity folder to Claudia Hicks. Observing (behind them from left to right) are Lisa Hollenbeck, Susan Frisch, Mike Sowl, Janice Long and Sandra Stromgren. Other campers not pictured are Phyllis Chiosso, Nancy Dethlefsen, Shirley Divers, Robert Holcomb, Janice Willey, Steven Willey, Cathy Leech and Bobby Stone. Mrs. Floyd Hicks of the local church will attend a camp as a leader. Camps locations are near Sonoma and Russian River. Mrs. Frank Dethlefsen, who serves as church camp registrar, attends the Northern California Presbyterian Leadership School held at the College of the Pacific in Stockton, July 19-25. The Rev. Herbert Tweedie is the local pastor.

Ex-Navy Recruiter Here Re-enlists For 6 More Years

Machinist Mate First Class Larry Holdford, 31, former assistant Navy recruiter at 6705 Mission street, Daly City, last Friday re-enlisted for another six years. He inked his new pact aboard the USS Eldorado, a communications ship headed for Pacifica Fleet duty.

Holdford, a popular man around town, has been in the service 14 years. His wife and three children live in San Diego, home port of the Eldorado.

Daly City Manager's Mother Dies At 63

Mrs. Myrtle Watts, 63-year-old mother of City Manager George Watts, died Wednesday morning in Downey, California, of brain cancer.

She and her husband, natives of Salt Lake Ctiy, had lived in the Altadena section of Los Angeles for 18 years.

Mrs. Watts had been hospitalized the past two years.

Funeral services are scheduled this Thursday morning at the Pierce Brothers Mortuary in Los Angeles.

THEY MOVE SOUTH

Jean Thompson Weds Floyd Kvamme Of DC In Temple Methodist Rites

PRONOUNCED man and wife on June 20 at Temple Methodist Church, Daly City's E. Floyd Kvamme and Jean Thompson of San Francisco took off for their honeymoon and new home in Southern California. Floyd is a graduate of Jefferson High and University of California.

Douglas Mack photo

E. Floyd Kvamme, Daly City, and Jean Thompson, San Francisco, were married on June 20 at Temple Methodist Church with Reverend Edward E. Menaldino performing the ceremony.

Kvamme, 63 Cliffside drive, is the son of Mr. and Mrs. Magnus Kvamme, and attended Jefferson High School in 1955 and graduated from the University of California in June. He is an electrical engineer.

The bride attended Mission High School in San Francisco and is a private secretary. She lived at 1029 Guerrero street with her mother, Mrs. Juanita Thompson.

She wore a chapel length, tiered, Swiss embroidered organdy gown and a crown veil of finger-tip length with pearls and butterflies. Maid of honor was Paula Scott of San Francisco.

Bridesmaids were Gloria Smith, Hayward; Betty Lukins, Phyllis Storvold and Beatrice Bird, San Francisco; and the groom's sisters, Ardis Kvamme and Ruth Kvamme, Daly City. The flower girl was Terry Edwards.

The best man was Harold Kvamme, the groom's brother. Ushers were Norman Smith, Armand Langmo and Don Hansen, San Francisco; Win Wessels, Richmond; Gordon Kvamme, brother of the groom, Jack Klassen and Oscar Belisle, Daly City. Ring bearer was David Kopp, brother of the bride.

Ralph Ekart, uncle of the bride, did the giving away ho ors. Soloists were John Lin quist, Frank Klassen, Jani Santiago, Maddelene Santia and Mrs. Thornes. A recepti was held at the church's soci hall.

The couple honeymooned a plan to live in Southern Ca fornia.

Governor Tells Wildlife Plan

Governor Edmund G. Brown today announced the adoption of a new five-year wildlife conservation plan by the California Department of Fish and Game.

The plan as submitted to the Governor by Department Director William E. Warne, is designed to increase some existing fish and wildlife species, introduce others, and give added protection against encroaching civilization to other wildlife resources.

"The plan is a bold, new effort to meet the growing needs of our great and growing state," the Governor commented.

"It was promulgated by the new and vigorous leadership we now have in the Department of Fish and Game. It is an action program with great vision and practicality.'

One phase of the new program will get under way immediateiy. It will be an increased educatioral effort to impress the hunting and fishing public with the need for leaving clean camps and removing their litter from both private and public lands.

Warne said he believes tidy outdoor habits will go far toward opening many now closed private lands to sportsmen. He said he will ask sportsmen's organizations throughout the State to band together in this action program.

The plan lists 19 major subjects which the Department will tackle in the next five years. Other projects and programs are being developed and will be added to the basic plan.

The 19 major subjects for the five-year Wildlife Conservation Plan are listed below:

1. Reorgarization and expansion of Water Projects activities.
2. Reorganization and expansion of Pollution Control activities.
3. Administrative and operational procedure improvement.
4. Youth Conservation Education program.
5. Anti-Litter Campaign.
6. Hunter Safety Training Program expansion.
7. A five-year plan for the Wildlife Conservation Board.
8. Inland Fish habitat improvement.
9. Development of better fishing on reservoirs.
10. Renewed efforts to eliminate illegal market hunting and fishing.
11. Ocean fish habitat improvement.
12. Salmon - steelhead conservation program.
13. Sea Lion Research project.
14. Increasing opportunity to hunt on private lands.
15. Use of conservation camps.
16. Expanded land withdrawal program.
17. Introduction of exotic game birds.
18. Game habitat improvement.
19. Increased emphasis on inservice training.

WATCH OTHER GAUGES

Watching the oil gauge and the motor heat indicator in many respects is more important than watching the speedometer, points out the National Automobile Club. The speedometer, however, gets more attention from the average driver.

JC To Sell Part Of Campus Site For $2.2 Million

San Mateo Junior College District Board of Trustees voted unanimously last Wednesday night in favor of a resolution of intent to sell the Delaware Campus of the College of San Mateo for a minimum price of $2,250,000.

The 30 acre Delaware Campus parcel, along with its science and technology buildings which have been familiar landmarks to Bay Area residents since the 1930's, may soon be developed as an executive and research center, according to Dr. Julio L. Bortolazzo.

Sale of the Delaware property will be by sealed and oral bidding which will take place at 8:30 p.m., November 18, 1959, at College House on the District's Coyote Point Campus.

Terms of the sale require that the successful bidder pay 80 per cent of the purchase price within 30 days, with the remaining 20 per cent to be paid in 1962 when the College moves to its new facilities. Approximately 21.4 acres of the unimproved campus area is to be released to the purchaser for immediate development. Much of this area includes frontage on North Delaware, Peninsula, and North Humboldt streets in the City of San Mateo.

College representatives have prepared an announcement brochure, copies of which are to be distributed on a nationwide scale. Since the property is located in the heart of the Peninsula's industrial complex, considerable interest has already been expressed by developers in this site.

OBITUARIES

Hazel Musante

Funeral services were conducted Tuesday for Hazel Musante, 69 Hill street, who died at San Mateo Community Hospital Sunday at the age of 50. Burial was at Cypress Lawn Memorial Park.

Mrs. Musante was a resident of Daly City for the past four years and is a native Californian. She is survived by her husband, Andrew; two daughters, Mrs. Helen Wade and Mrs. Rosalie Shreve; her mother, Mrs. Rose Soria; and a brother and sister, Joseph T. McMahon and Marie McMahon. She also left eight grandchildren.

Adeline Sauer

The body of Adeline Sauer is being shipped to Portland, Oregon, for funeral services. Further information on the burial may be had by calling Lasswell's Mortuary.

Mrs. Sauer lived here for five years and was the wife of Arthur J. Sauer, 71 Hillsdale avenue. She died at Kaiser Hospital in Oakland Sunday after an illness of two weeks. She was 54 years old.

Albert Acosta

Funeral services were held Saturday morning for Albert Acosta, three-month-old son of Mr. and Mrs. Max Acosta, 260 Los Olivos avenue, at Lasswell's Mortuary.

The tot died at the Children's Hospital last Wednesday. His mother is Mercedes Acosta. Interment was at Holy Cross Cemetery.

Golden Gate College President Speaker At ABWA Meeting

Dr. Russell T. Sharpe, president of Golden Gate College, will be the guest speaker at the monthly dinner meeting of the American Business Women's Association, San Francisco, when it meets Monday evening, July 20, at the Elks Club, 456 Post street. The dinner will start at 7 p.m. with a cocktail hour preceding.

Sharpe will discuss "Six Major Problems of Modern Education."

He was with the Golden Gate College until 1953, when he left to become president of Monticello College for Women in Illinois. He returned to Golden Gate College as president in 1958.

Sharpe has just returned from spending several weeks attending the Institute for New College Presidents and their wives at Harvard University, a very intensive course of training. He was graduated from Harvard College summa cum laude with a degree of Bachelor of Science. He is also a member of Phi Beta Kappa. After spending some time traveling and studying in Europe, he later received his Master's Degree from Harvard, and his Ph.D. from Stanford University, concentrating in the field of Educational Administration.

The ABWA, nationally in its tenth successful year, numbers almost 10,000 women, with 200 chapters in 45 states. The organization is an educational and community service organization, with its major aims directed toward the improvement of employer-employee relations, keeping business women up to date on latest business techniques. Each year an award is made of a sum of money, voted on by the members, to assist a needy and worthy business or professional woman complete her education. Members also work on community service projects and enjoy social programs throughout the year.

For particulars on membership, women may phone Miss Ruth Archer, membership chairman, at GA 1-8033, Extension 117, or Mrs. Laila Porterfield Gasho, corresponding secretary, a Westlake resident PL 5-1176.

Muni Bus Driver Assaulted By 'Impatient' Fare

George Burton, a 41-year-old Municipal bus driver, was punched in the nose Sunday morning by a Latin-type man who said the driver discriminated against him.

Burton, 262 Lowell street, San Francisco, was standing in front of the bus smoking a cigarette at Mission street and San Jose avenue when the 6 foot, 190 pounder, boarded the bus. Two women were already seated.

As the man mounted the steps he asked Burton for change. The latter replied he would be in the bus in a minutes. He finished his cigarette and sat down at the driver's seat. The dark-haired, sport shirt wearing man said, you are discriminating against me, and struck the driver with his fist.

Burton hadn't had time to reply to the man and the result was a bloody nose. Burton did not sign a complaint but reported the one blow, one sided battle to police.

'Wandering' Dad Gets Arrested For Prowling

A 23-year-old father of t children was arrested at 4: a.m. Sunday for wandering private premises at night.

Demetres E. Payne has thr other arrests on his record f such a charge, police said, though two were later dism ed. He has been reported times as a Peeping Tom' in S. Francisco, Broadmoor, Brisba and Redwood City.

Payne, a janitor who resid in San Francisco, was spott wandering and prowling up the property of the El Cami Motel, 7245 Mission street, Special Officer Richard Leah Leahy called Officer Ste Steen when Payne entered t motel.

Steen searched the lobby b did not see Payne there. found Payne in the back lot Puccini's tavern. Payne said had been searching for "M George Cole" and then chang the name to "George Davis, 4 G street, Colma." Steen sa Payne's accounts of the dire tions he had walked were fal

A further check showed th there is no such street in Colm and police believe the men to fictitious as Payne was hesita in mentioning the names.

Payne no longer insisted his original story but would admit to an act of peeping windows.

Payne stated he was happ married and the father of t children. Bail was set at $ and he is to appear in municip court on July 21.

Family Feud, Angry Husband Battles Cop

Officer James W. Sunderla responded to a routine fam dispute and was punched a had his flashlight thrown him by an irate husband.

Sunderland arrived at t home of Marion Dinkens, Los Olivos street, at 10:45 p. Friday on a complaint that h husband, John, 29, was givi her and the four children c siderable trouble. Ten minut later the 5-11, 185-pound shi ping clerk walked in and ord ed everyone out of the hou

Sunderland tried to reas with the husband, saying he h been invited into the home the man's wife. Without a wo of warning Dinkens struck Su derland on the left ear a charged towards him. Sund land hit the man over the he with his club a number of tim in self defense.

The officer was unable subdue Dinkens by himself a went outside to radio for he While he was going out, Din ens hurled the officer's flas light at him.

Dinkens was picked up in auto at 26 Bellevue near antic avenue by Officers J Bergstrom and Frank Murra He received treatment at Ju pero Serra Hospital where Su derland had been cared earlier. Dinkens was transpo ed to Community Hospit where a 72-hour hold w placed on him by police.

Dinkens was arrested on sault and battery charges alo with disturbing the peace. was released on $200 bail appear in municipal court t Thursday.

Light Opera Telling Of Strauss' Life To Open Friday
